DANA HALL SCHOOL

Guide to Giving

OPPORTUNITIES TO GIVE

There are countless opportunities for families of Dana Hall students to connect and be involved. The 2026-27 school year offers a special chance to be part of history, as we celebrate the success of the groundbreaking **Fearless Futures** campaign. The campaign will conclude on **December 31, 2026**, and any gifts received by that date will count toward this momentous effort. The Dana Fund will continue working beyond the campaign's close to reach this year's goal of $2,040,000 by the end of the School's fiscal year on **June 30, 2027**.

The Dana Fund

Every year, the School counts on contributions from the Dana Hall community to support the Dana Fund. As an independent school, Dana Hall receives no funding from federal, state or local government.

The Dana Fund:

- generates 6% of the School's operating budget
- helps to stabilize tuition year over year, increasing access to a Dana Hall education
- supports the full breadth of experiences that students enjoy

An unrestricted Dana Fund gift of any size directly and immediately impacts the life of all students, faculty and staff.

When you give online you can opt to make a monthly gift and join **Dana Dedicated**, which is Dana Hall's recurring gift club.

Giving Societies

Every year, members of the 1881 Society make a commitment to support Dana Hall in amounts starting at $1,881, and in tiers, going up to and beyond $100,000. Members of the Society are invited to an annual reception, and are recognized in the Annual Report each year for their leadership.

Leadership Circle: $100,000+
Durant Circle: $50,000 - $99,999
Grove House Circle: $25,000 - $49,999
Founders Circle: $15,000 - $24,999
Eastman Circle: $10,000 - $14,999
Head's Circle: $5,000 - $9,999
Blue and White Associate: $2,500 - $4,999
1881 Associate: $1,881 - $2,499

The **Amor Caritas Society** recognizes those whose lifetime support of Dana Hall exceeds $100,000. Members of the Amor Caritas Society are recognized for their extraordinary generosity in the Annual Report and are invited to special events throughout the year.

The **Moon & Stars Society** is composed of Dana Hall's most loyal supporters. Any donor who makes a gift for five or more consecutive years is welcomed to this society. Members are recognized in the Annual Report each year.

Fearless Futures: The Campaign for Dana Hall

Dana Hall is approaching the end of the largest comprehensive campaign in the School's history. Having already raised more than $75 million, **Fearless Futures** is fueling the ongoing growth of the School and supporting a number of priorities. The campaign will end on December 31, 2026.

Upper School Building

The School has renovated and reimagined one of the most iconic learning spaces on campus to provide an enhanced academic experience for our students. All donors of $25,000 or more are recognized with a listing on the Donor Wall. There are a number of opportunities to name spaces within the building still available, starting at $2,500 to personalize a seat in the expanded Waldo Auditorium.

Endowment

The endowment is a measure of the School's financial strength and the community's investment in its mission. Funds are used to provide operating support, increase financial aid and augment existing programs on campus.

Tennis Courts

The construction of new tennis courts will support a championship-winning team, foster athletic success and promote social opportunities for all Dana Hall students. Donors of $15,000 or more will be recognized on a plaque at the new courts. Other naming opportunities are available.

Community, Impact and Acceleration Fund

This Fund supports initiatives that enrich the bonds between every member of our community and especially helps to foster greater access and equity. Contributions dramatically and immediately enhance the quality of community life and our students' ability to engage with it fully.

FREQUENTLY ASKED QUESTIONS

Why is my gift important?

Your contribution is important because tuition covers only 74% of the cost of educating a Dana Hall student. Donations provide the necessary unrestricted funds needed to prepare students for their fearless futures.

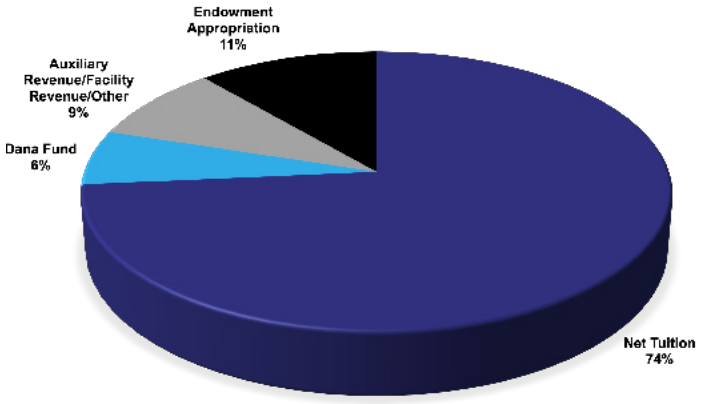

Why not raise tuition to cover costs?

Dana Hall is committed to maintaining a competitive tuition and to welcoming students from a wide variety of backgrounds and experiences. Monies raised by the Advancement Office make Dana Hall affordable for more families, attract and retain an outstanding and diverse faculty, maintain the facilities and keep current on technological advances in education.

How often will I be asked to give?

Dana Fund appeals are sent twice a year, in the fall and spring. Additional opportunities for giving are offered during Teacher Appreciation Week. Some families choose to make one gift to the Dana Fund, other families may give additional gifts to the campaign and/or make multiple donations throughout the year. We gladly accept gifts at any point before the end of the fiscal year on June 30, 2027.
