OCTOBER 2026

Principal's Notes

Happy Fall! As we welcome the cooler weather, please note that students will continue to play outside in the morning, so they may need a jacket. Sherman is celebrating Hispanic Heritage month from 9/15-10/15. We will culminate with a Heritage Parade on 10/16. Please send your student to school in the flag colors or cultural wear of your country of heritage to participate in the parade. Thank you to Leprino for providing funding for family nights this year. We had a great kickoff with our Fall Family Night!

Wellness

October's focus is Responsibility. One way to define responsibility is taking action and understanding the impact of our actions. While practicing responsibility, we will focus on organization using the the 3 Ts: time, tasks, and things. If students can utilize time, keep track of necessary tasks, and organize their things, they will be on their way to being a responsible student.
