A Message from Our Director

As we enter November and December, it's the perfect time to recognize and celebrate the achievements that have refined this semester at our high school. STHS was honored to be recognized as a School of Excellence by the Florida Department of Education for the 2023-2024 school year. Congratulations to our exceptional teachers, support staff, students, and parents, who all played key roles in supporting academic success.

On Friday, October 25, 2024, we proudly hosted a Ribbon Cutting Ceremony for the newly-renovated media center at Sheridan Technical College. This renovation, funded by SMART Bond tax dollars, impressed our School Board Members—Debbie Hixon and Daniel Fonganholi, Superintendent Dr. Hepburn, Dr. Toomer, Dr. Wanza, Dr. Nesmith, and other dignitaries with its modern furniture, upgraded technology, and collaborative meeting spaces.

Adding a special touch to the event was the talent of our students. A heartfelt thank you to Renka Friedman, our Drama Club and Debate Program sponsor, and Bethany McAfee, our *Spoken Word* sponsor, for inspiring their students to participate. Spoken Word members Daniel Lopez and Samantha Cedrati performed their original poem, "Unseen Beauties," while Debate students Caitlin Underwood and Nicole Velez captivated the audience with their award-winning Duo Interpretation from "Wicked," and Emma Almonte from our Drama Club welcomed everyone with the *National Anthem*.

Thank you to everyone who made this event a memorable success!

The World of Emerging Technology

Greetings! My students began the school year learning **MOS PowerPoint** and I'm happy to report **47 Industry Certifications** were earned! They also used PowerPoint to research a local, high-paying technology company and then present it to the class. They were fantastic and we all learned some exciting information about employment opportunities in our region. We then moved on to **MOS Word**, where **45 certifications** were earned, including one at the **EXPERT level**! Students then researched three careers of their choosing and shared their findings with their classmates. I see many, just to name a few, doctors, auto mechanics, computer techs, and nurses in our future!

This brings our total for Word and PowerPoint to 92 certifications earned so far this year. Congratulations to all of our students!

The 2nd semester will be spent studying Excel and finances. Our "EVERFI: Financial Literacy for High School" is a digital financial education program that teaches students how to make wise financial decisions through interactive and simulated exercises. Students will study topics such as consumer skills, checking and saving accounts, employment and taxes, credit and debt, financing higher education, and types of insurance. We will apply all of these skills into an Excel budget spreadsheet where students will pay their taxes, shop for a car, an apartment, groceries and more! This is a great unit for our young adults!

Our semester will end with a final project where students will combine and showcase all they have learned in Word, PowerPoint, and Excel. Working alone or in small groups students will create and open a hypothetical restaurant. Tasks will include, but not be limited to: a logo, a menu and layout design, start-up costs, as well as menu pricing and nutritional information. These projects will be presented at the end of the semester.

Step 1

Common App and Xello

Your school is integrating Xello with Common App. This means beginning August 1, you can link your Common App account with Xello to request forms from your counselor and recommendations from your teachers. Make sure you follow the steps below to link your accounts.

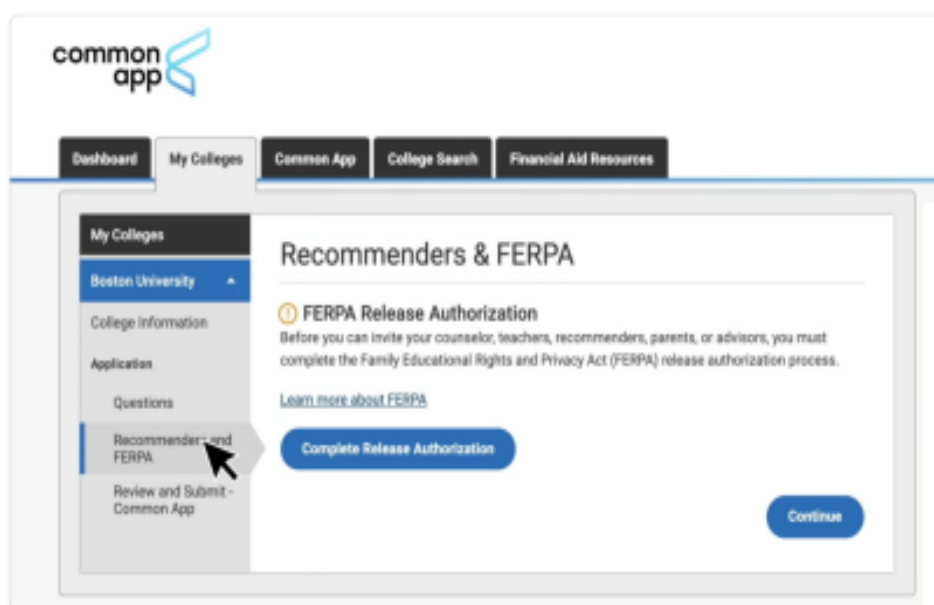

Note: If you started working in Common App in your junior year, some of your data may have been deleted over the summer.

Before linking Common App with Xello

You'll need to complete a few steps in Common App before you can begin working in Xello. After signing in to your Common App account:

- 1 Click the **Common App** tab. From the left menu, open **Profile** and then **Education** to complete the required fields.
- 2 Click the **College Search** tab, and add at least one college you plan to apply to.
- 3 Click the **My Colleges** tab and open one of your saved colleges.
- 4 In the left menu of the college profile, click **Questions** and fill out your **Preferred Start Term**.
- 5 Again from the left menu, click **Recommenders and FERPA**. Read and complete the **FERPA Release Authorization** form.

Make Good Choices.

Common App and Xello

Step 2

Link your Common App account with Xello

Once you've signed the **FERPA Release Authorization** form, you'll connect your Xello account to Common App. Connecting the two accounts means you can begin submitting requests for Common App documents and recommenders in Xello.

Watch the video: [Linking Common App to Xello](#)

To link your Common App account with Xello:

- 1 Sign in to Xello.
- 2 Under **Goals & Plans**, select **College Planning**.
- 3 Click **View my applications** to see the full list of colleges you're tracking.
- 4 In the banner with the Common App logo, click **Connect** to open the Common App sign in page.
 - A pop-up will first let you know you may need to redo tasks you've already completed. This could include assigning a counselor or requesting a Teacher Evaluation. This will only apply to colleges associated with Common App.
- 5 Sign in to Common App.
 - Once you've logged into Common App, you're redirected back to the page you left in Xello.
 - The banner at the top of the page now states the accounts are connected.

Once the accounts are connected, the colleges in your **My colleges** list in Common App are synced to your **Application tracker** in Xello. You can easily identify which colleges in Xello are linked to Common App by the badge next to the college name.

Assign a counselor to send forms

Next, you'll need to assign a counselor at your school to send the necessary forms for your application to Common App colleges. They'll send your transcript among other forms.

Watch the video: [Requesting your documents for Common App schools](#)

To assign a counselor to send your forms to Common App colleges:

- 1 Click on a college with the Common App logo.
- 2 Next to **Counselor forms**, click **Assign counselor**.
- 3 Choose the counselor at your school in charge of your transcript and Common App forms. Click **Select**.
 - You'll only need to assign a counselor once. Selecting a counselor means that they'll send all the necessary forms to all the schools saved in your My Colleges list in Common App.

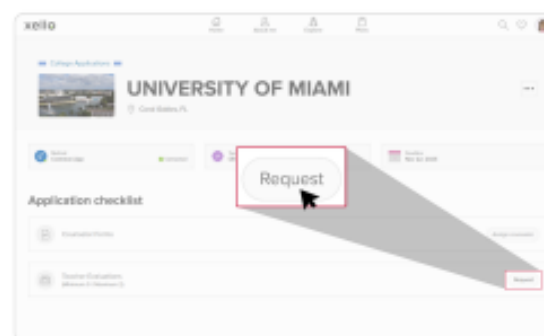

- 4 Click **Send** to return to the college page.
 - A banner at the top of the page indicates success.

Request teacher evaluations for Common App colleges

You'll use Xello to request a teacher write and send a Teacher Evaluation to colleges on your behalf. To send a request:

- 1 Click on a college with the Common App logo.
- 2 Next to **Teacher evaluations**, click **Request** to open the list of teacher recommenders available at your school in Xello.
 - You can also search for teachers at other schools in your district who also use Xello with Common App enabled. This search is useful if you've transferred schools or if the teacher you want as a recommender has changed schools.
- 3 Choose the teacher you'd like and click **Select**.
- 4 Click **Send** to return to the college page.

Hello from Support Services!

Ms. Lloyd is excited to announce that it's time to draw our next Golden Ticket Winner! A big congratulations to our recent winners: Thomas V. and Andres B.! These two amazing freshmen have set a great example with their dedication and hard work. Way to go!

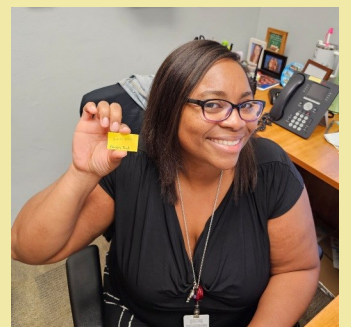

Every month, *our students* have the chance to win a \$25 gift card of their choice by earning Golden Tickets. Every ticket a student earns is a step closer to the lottery box—and a reward for their hard work and dedication at STHS.

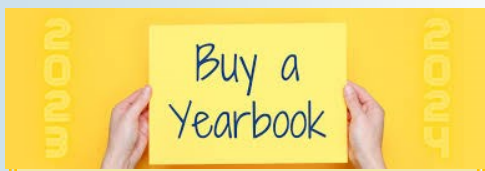

Our team absolutely loves seeing the smiles and excitement from the students as they drop off tickets throughout the month. We reiterate to the students that their efforts matter, and every ticket is a celebration of their commitment to being here at STHS.

Let's keep the momentum going each month and make it our best yet! Keep pushing, keep earning, and keep dreaming BIG!

Ms. Lloyd wants to remind the families and students she serves that she is available to support our students every step of the way—no question or concern is too big or too small! Feel free to reach out to Ms. Lloyd at Kimberly.lloyd@browardschools.com. It takes a team!
