A Message from Our Director

~ Ms. Daniel, Director STC & STHS

Welcome to the Month of March! As we eagerly prepare to embrace the arrival of March, I am thrilled to take a moment to reflect on and share some of the incredible ways in which our team members are positively impacting the lives of the students we are privileged to serve. The commitment, dedication, and passion exhibited by our staff and students continue to shape an inspiring and dynamic community, and I am excited to highlight some of these recent accomplishments.

I would like to express my deep gratitude and appreciation to several individuals who played an instrumental role in setting the stage for excellence in our observance of Black History Month. A heartfelt thank you to Mrs. Friedman, Mrs. Charles, and a wonderful team of supporting individuals who collaborated to ensure that Black History Month was celebrated in the most meaningful and impactful way possible. Their collective efforts have allowed us to honor the rich legacy and contributions of the African American community while fostering an environment of education, understanding, and appreciation.

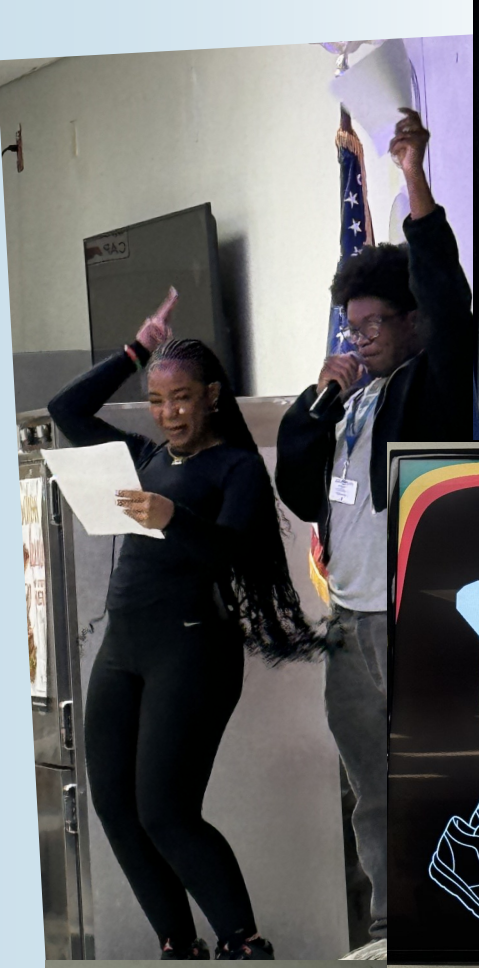

Our talented students showcased their diverse abilities in a series of impressive performances. From a captivating Duo Interpretation to moving Spoken Word Poetry, as well as stirring musical performances and energetic dance routines, our students truly shined and demonstrated the depth of their creativity and talent. Their performances were a testament to the hard work, dedication, and passion that each of them brings to their art, and we couldn't be prouder of their achievements!

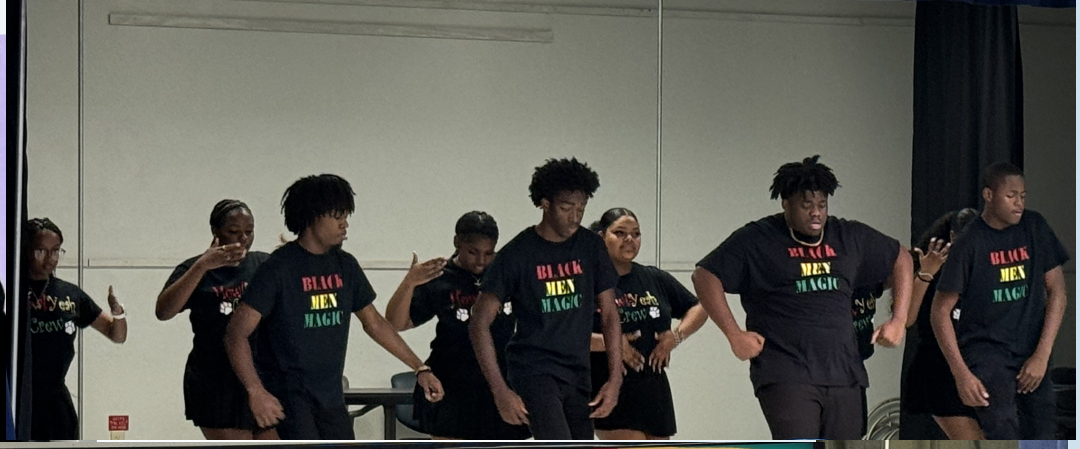

We are proud of our Coaches, Players and Cheerleaders! Go Wolves! Keep up that winning spirit!

Hello from Support Services!

Ms. Lloyd is excited to announce and congratulate Daniel (Grd 11) and Nattan (Grd 12)! Congratulations on earning and winning the January and February Golden Tickets. Way to go!

Every month, *our students* have the chance to win a $25 gift card of their choice by earning Golden Tickets.

Our staff has considered many reasons to identify students to be nominated, including kindness to peers, assisting another, bringing up grades, going above and beyond on a project or assignment, advocating for themselves, and stepping up leadership wise! We are very proud of our students who continue to do the right thing for the right reasons!

Keep pushing, keep earning, and keep dreaming BIG, Wolves!

Ms. Lloyd wants to remind the families and students she serves that she is available to support our students every step of the way—no question or concern is too big or too small! Feel free to reach out to Ms. Lloyd at Kimberly.lloyd@browardschools.com. It takes a team!

Recently, Broward College has been experiencing some issues with students NOT being able to log into their BC One Access Accounts. This is affecting students who may have applied before and never took courses and are now updating their BC account applications to be current.

Avoid a HALLWAY Detention!

Attention all Students and Parents/Guardians…

The STHS Magnet Contract is still very much in effect. After repeated conversations with students via this newsletter, on campus announcements, and hallway conversations, **the Staff of STHS has unanimously voted to implement Fast Pass Detention Notices to any students who are witnessed to be in violation of the basic expectations as set in the STHS Magnet Contract**.

Where teachers will continue to proactively check for all expectations to be adhered to within their classes, the hallways will also be monitored to ensure that teaching and learning is not compromised by basic expectations not being met.

For this reason, any of the following violations will result in an administrative detention. None of these expectations are new, and all can be implemented without any disciplinary consequences with both student and parent support.

- Out of uniform/dress code/No visible ID
- Not using their school-assigned backpack
- Visible phone and/or listening device
- Using profane language
- Tardy to school/class
- Not following directions
- Engaging in horseplay
- Out of assigned area

The detention will take place during the student's lunch within 2 school days of it being assigned. Failure to serve the detention will result in progressive disciplinary consequences, as detailed in the BCPS Discipline Matrix.

Our goal is that students will follow the established expectations, with a focus on their learning environment. We thank you for your compliance and support in this effort.

You have one job…GRADUATE!

We Value Your Feedback!

Preventing Youth Suicide: Tips for Parents and Educators

Suicide is preventable. Youth who are contemplating suicide frequently give warning signs. Do not be afraid to ask about suicidal thoughts. Never take warning signs lightly or promise to keep them secret.

Preventing Teen Suicide: Tips for Peers

Suicide rarely happens without warning. As a peer, you may be in the best position to recognize when a friend might need help and help them get it. You may see signs in person, hear about them secondhand, or see them online in social media. Never ignore these signs.

Risk Factors

- Hopelessness
- Nonsuicidal self-injury (e.g., cutting)
- Mental illness and substance abuse
- History of suicidal thinking and behavior
- Prior suicide among peers or family members
- Interpersonal conflict, family stress/dysfunction
- Presence of a firearm in the home

Warning Signs

- Suicidal threats in the form of direct (e.g., "I want to die") and indirect (e.g., "I wish I could go to sleep and not wake up") statements
- Suicide notes, plans, online postings
- Making final arrangements
- Preoccupation with death
- Giving away prized possessions Talking about death
- Sudden unexplained happiness Increased risk taking
- Heavy drug/alcohol use
