OTHER STUDENT INFORMATION (allergies, medications, etc. be specific)

I agree and my child agrees to abide by all rules and safety precautions relating to this field study activity. I am aware that during this field study certain risks are inherent. I understand that this field study activity may involve certain conditions, hazards and potential dangers, including those associated with traveling in the described method of travel or those associated with the facilities or property where the field study will occur or whether the dangers are open and obvious or concealed. Any questions which have occurred to me have been answered to my satisfaction. My child is participating in these activities on my own free choice. My signature acknowledges that I have been informed of the reasonably expected hazards associated with the field study in which my child will be participating. The School recognizes it's responsibility for it's negligent acts subject to the limits of Section 768.28, Florida Statutes. Based on current Florida Law, the School is not responsible for the negligence of volunteer drivers, when applicable. I hereby agree to release, waive, discharge and covenant not to sue the School and its subsidiaries along with its officers, directors, board members, supervisors, agents, servants or employees from any and all liabilities, claims, demands, or causes of action that may arise from or be related to any loss, damage, or injury, including death, that may be sustained by my child or my child's personal property while my child is participating in the school's programs, field study or activities or while my child is on the premises on which the activity is located. In the event of an emergency, reasonable attempts will be made to contact the parent. This would not prevent the emergency health care provider from acting in the best interest of the child. **I authorize emergency treatment for my child in the event of accident or illness during this field study/activity.**
