SHERIDAN TECHNICAL COLLEGE & TECH HIGH SCHOOL

WOLF WIRE

DIRECTOR'S MESSAGE

The opening of the 2026-2027 School Year has been a very rewarding and productive one for our institution. I am excited about the momentum we have built. We look forward to visiting classrooms to see firsthand the outstanding teaching, learning, and student engagement taking place both inside and outside of the classroom.

As part of our continued commitment to supporting teaching and learning, the administrative team and I have begun conducting classroom observations. We will continue visiting classrooms throughout the school year to celebrate the great work happening across our insti tution, stay connected to the student learning experience, and identify opportunities to provide continued support.

Thank you for all that you do each day to create meaningful learning experiences for our students. Should you have any questions regarding our upcoming classroom visits, please feel free to contact your administrator or me.

Dear Senior Parents and Guardians,

I cannot believe I am actually sending this email to you! Your Child is a Senior, WOW...Are you ready for this year???

My name is Ms. Nunez, and I am honored to serve as the Class Sponsor for the Class of 2027. While some of you may already know me, I wanted to take a moment to formally introduce myself and let you know that I will be coordinating most of the activities, events, and communications related to our senior class throughout the year.

The following pages in this newsletter will inform you of the following:

- The Senior Calendar of Events, which includes important dates and upcoming senior activities.
- The Senior Year Financial Plan, which outlines anticipated costs, payment deadlines, and available payment options.

My goal is to provide families with as much information as possible so everyone can plan accordingly and ensure students have the opportunity to participate in these memorable senior-year experiences.

Please review these documents carefully and keep them for future reference. Updates and reminders will be shared throughout the year as additional information becomes available.

If you have any questions regarding senior activities, payments, or upcoming events, please do not hesitate to contact me.

Thank you in advance for your support, and I look forward to working with you to make this a memorable and successful senior year for our students.

Avoid a Fast Pass Detention!

Sheridan Technical High School

Administrative Detention for Hallway Infractions

Student Name: _____

Date/Time: _____ STHS Staff: _____

After repeated conversations about complying with STHS Magnet Contract expectations, your child was witnessed to be:

◊ Out of Dress Code/	◊ Using profane language
◊ Tardy to school/class or Out of assigned area	◊ Visible phone and/or listening device
◊ Not following directions	◊ Horseplay

This detention MUST be served during lunch within 2 days of the date assigned.

Per SBBC Discipline Policy: Any unserved detention will result in progressive disciplinary consequences and possible loss of school privileges.

Parent Acknowledgment Signature: _____

(Top copy to Student/Parent; Bottom copy to Detention Administrator)

The STHS Magnet Contract is very much in effect. After repeated conversations with students via this eNewsletter, on campus announcements, and hallway conversations, a Fast Pass Detention will be given to any student who is witnessed to be in violation of the agreed upon expectations as set in the STHS Magnet Contract.

Any of the following infractions will result in disciplinary consequence if repeated beyond the Fast Pass Detention.

These detentions will take place during the student's lunch within 2 school days of being assigned. Failure to serve the detention will result in progressive disciplinary consequences, as detailed in the BCPS Discipline Matrix.

Our goal is that students will follow the established expectations, with a focus on their learning environment. With both student and parent support all disciplinary consequences can be avoided by following the STHS Magnet Contract Agreements. We thank you for your compliance and support in this effort.

ATTENTION PARENTS & GUARDIANS!

Creating your Parent FOCUS Account is required in order to view your child's grades and attendance records in FOCUS, as well as complete the necessary paperwork for your child to participate in extracurricular activities and events.

ACTIONS HAVE CONSEQUENCES GOOD OR NOT GOOD – STUDENT'S CHOICE

STHS will follow all components of the Broward County Public Schools Code of Student Conduct and Discipline Matrix System (DMS).

A first offense may result in being assigned a ***Behavior Probation Contract*** signed by parent, student, counselor, and administrator to document the attention needed for improved behavior to remain at STHS.

Students who continue to violate the STHS Behavior Contract will be processed in accordance with the BCPS DMS, the STHS Behavior Probation Contract, and may be withdrawn from STHS to return to their home school through a Magnet Rescission Contract.

HONOR CODE -EXPLANATION

An honorable student upholds and promotes the values of good citizenship, respect for self and others, accountability, honesty, and integrity in maintaining high academic and personal standards. Therefore, all students are expected to assume full responsibility for the content of their academic work, assuring that all work, examinations, reports, and projects are the student's own.

REPRESENT THE WORK OF OTHERS AS THEIR OWN

According to Dictionary.com, plagiarism is defined as "the unauthorized use or close imitation of the language and thoughts of another author and the representation of them as one's own original work."

*Please note: Any research project whether it is a formal essay, presentation, or other format must include proper documentation of original sources. Documentation includes internal reference citations and bibliographies as specified by the instructor. Documentation **MUST** accompany information and ideas obtained from other sources if they are copied "word for word" and/or paraphrased in the student's own words.*

This includes sharing of assignments through D2L or email.

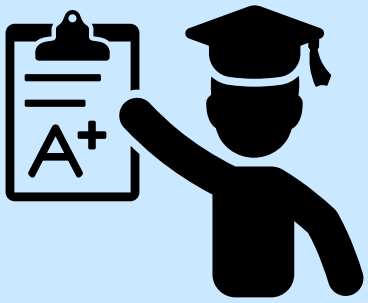

USE, OBTAIN, OR GIVE UNAUTHORIZED ASSISTANCE (IN ANY FORM – INCLUDING, BUT NOT LIMITED TO, THE USE OF ELECTRONIC DEVICES) ON ANY HOMEWORK, QUIZ, TEST OR OTHER WORK.

This includes **allowing other students to copy your homework or any assignment** (even if they paraphrase) – in part or in entirety.

This includes **sharing information about a quiz or test** with other students.

MODIFY, WITHOUT INSTRUCTOR APPROVAL, AN EXAMINATION, PAPER, RECORD, OR REPORT.

If a student is unclear about whether a particular situation may constitute an honor code violation, the student should meet with the instructor to discuss the situation.

HONOR CODE- VIOLATION CONSEQUENCES

THE CONSEQUENCES FOR VIOLATING THE SCHOOL HONOR CODE MAY INCLUDE, BUT ARE NOT LIMITED TO, THE FOLLOWING:

- Assignment of a grade of zero to the test, quiz, or other assessment or assignment.

Parent Guidance on Concerns with AI, Apps or Classroom Technology

Questions about instructional technology and the objection process

Can I opt my child out of AI or classroom technology? Generally, no. Florida law does not provide a blanket opt-out from all AI, software, websites, apps, or classroom technology. Parents may learn what is being used, review instructional materials, ask questions, and object to a specific material or technology through the District process.

If I have a concern, what should I do?

#	Step	Action
1	**Identify the technology**	Determine the specific AI platform, software, app, website, or digital instructional resource.
2	**Talk with the school**	Discuss the concern with the teacher, principal, or school administrator before filing a formal objection.
3	**Review the instructional material**	Parents may inspect software, educational applications, digital content, and electronic instructional resources.
4	**Submit a written objection, if needed**	Use the District Instructional Materials Objection Form. Identify the specific material, explain the concern, and include contact information.
5	**District review**	The review committee evaluates the objection and makes a recommendation, which may include keeping, limiting, allowing an alternative, moving, or removing the material.
6	**School Board review**	If you disagree with the recommendation, you may request School Board review.
7	**State review**	After District review, Florida law may allow additional review through the Florida Department of Education in certain circumstances.

Parents may ask about…

- Why the technology is being used
- Whether it is required or optional
- How it supports student learning
- What student information is collected
- Whether another instructional option is available

Frequently asked questions

What is my first step?
Visit the website https://browardschools.ai/#faq. If you have additional questions, start with the teacher and school administration.

Can I opt out of every AI or technology program?
No. There is no blanket opt-out.

Can I see the materials?
Yes. Parents may review instructional materials, including digital resources and software.

Will my child automatically get an alternative assignment?
Not necessarily. Alternatives may be considered when appropriate and operationally feasible.

How is student information protected?
Data stays within the district's protected systems and approved vendor environments governed by data privacy agreements. Access is limited by role to the staff who need it for instruction and support. https://browardschools.ai/#policy

Need more information?

1. Contact your child's teacher.

- Giving away prized possessions Talking about death

ALL OF THESE STEPS MUST BE COMPLETED FOR YOUR APPLICATION TO BE COMPLETE!

STARS

STARS, formerly known as the SSAR, is a system used to self-report your transcript to select universities. We highly encourage you to print your unofficial transcript off FOCUS to be able to accurately complete your STAR prior to sending it to universities.

- Florida Polytechnic University
- University of South Florida (USF)
- University of North Florida (UNF)
- University of West Florida (UWF)

Xello

This year, all Common App accounts need to be linked to Xello for you to be able to do the following:

- Connect your counselor
- Request letters of recommendation from school board employees (Non-school board employees must be invited through Common App)
- Request official transcripts (for schools not using STARS or SPARK)

In order for the schools to which you are applying to populate you must first add them to your list of colleges on [redacted].
