- Is Advanced Placement (AP) the same as DE?
  - **Similarities and differences**
- How Do I Sign Up?
  - **Registration Steps and Support**

FOOTHILL COLLEGE

Dual Enrollment (DE) at Foothill College

FOOTHILL COLLEGE

Independent High School Students

- **9-12 grade** students taking classes for enrichment or credit recovery
  - Traditionally come to Foothill campus to take classes
- Can enroll in **11 units** in the Fall, Winter, Spring (**6 units** in the Summer) and have tuition fees waived
- Can have **access to Foothill's services** like other college students

FOOTHILL COLLEGE

Middle College

Middle College at De Anza for Fremont HS Students

An educational alternative **for FUHSD juniors and seniors** who need a different high school environment in order to achieve success. Students **earn high school and college credit simultaneously**, complete requirements for high school graduation and explore individual interests through a diverse college curriculum.

Middle College program benefits include:

- a **wide array of course choices at De Anza College**;
- daily schedule flexibility;
- **one-on-one support** from the Middle College advisors/teachers, as well as from an **on-site Middle College guidance counselor;**
- access to services and opportunities at De Anza College, from **tutoring** to **clubs and student government**;
- **ability to earn college credits without taking AP exams;**
- participation in high school clubs, activities, and sports that occur after regular high school hours (does not include leadership).

FOOTHILL COLLEGE

College & Career Access Pathways (CCAP) & AB288

CCAP Classes

Agreement between Foothill and high school to provide **closed** classes for high school students

- Classes are traditionally held at the high school
- Career Technical Education (CTE) or transfer preparation

Purpose is to serve **underrepresented students** or **students who are not college bound**

Students can enroll in up to **15 units** each term and have tuition fees waived

FOOTHILL COLLEGE

Foothill CCAP Classes at Fremont HS

FOOTHILL COLLEGE

Advanced Placement (AP) & DE

FOOTHILL COLLEGE

Dual Enrollment Toolkit

A toolkit to help students and families discover how to earn college credit while attending high school through an opportunity called "dual enrollment."

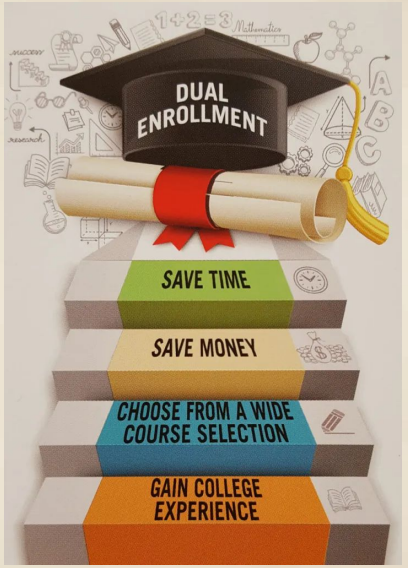

CLICK HERE FOR TOOLKIT:
[Earn College Credit in High School: Dual Enrollment]

FOOTHILL COLLEGE

Benefits of Participating in DE

What are the perks?

- Earn college credit & fulfill high school graduation requirements *(CCAP)*
- Classes are taught by high school teachers *(CCAP)*
- High school GPA boost
- UC/CSU transferable
- Increase readiness for college
- Save $$$ on college tuition
- Access to Foothill resources

FOOTHILL COLLEGE

✨ Foothill Resources ✨

As a dual enrollment student you have access to resources and services at Foothill College, just like any other Foothill student

- Services are available both online and in-person
- Examples: Counseling, Academic Tutoring, Transfer Planning, Food Pantry & Other Basic Wellness Needs, Access to Foothill Library & Databases
- Disability & Resource Center
  - 504 Plan & IEP accommodations are carried over to DE classes
- Permission to take up to 15 units per quarter

For more information visit: https://foothill.edu/services/

FOOTHILL COLLEGE

What Are Potential Implications?

- Balancing DE course(s) with other commitments
  - Other advanced classes, extracurriculars, home/work responsibilities
- Additional projects/assignments if you enroll in English 1A/1B
- Foothill dates and deadlines
- Grade will be on Foothill College transcript

FOOTHILL COLLEGE

Registration Process

Students interested in taking classes independently can visit **foothill.edu/hs** for steps to enroll and other important information

1. *Apply for Admission*
2. *Submit Special Admit form to Enroll*
3. *Attach Unofficial Transcript*
4. *Check Status of Your Dual Enrollment Form*
5. *Register for Classes*
6. **Pay Your Fees*

FOOTHILL COLLEGE

Before you start the registration process…

1. Review our **Academic Calendar**
   - Class schedule release date, registration window, important dates and add/drop deadlines, etc.

2. Review our **Class Schedule**
   - Course description, instructional format (synchronous vs asynchronous), prerequisites, transferability, etc.
