University TUITION COSTS

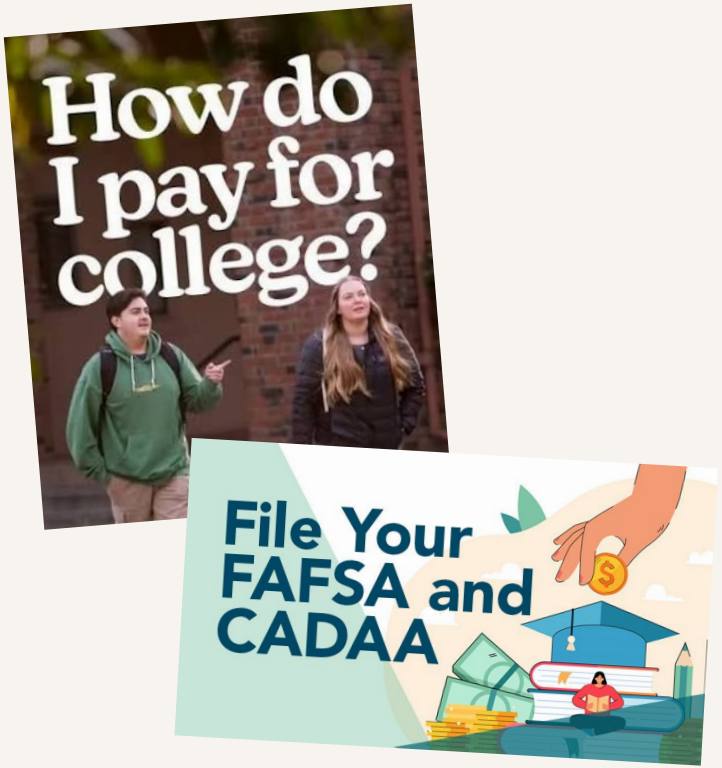

Financial Aid

Reasons to Apply for Financial Aid

- To get money to pay for college, a university, or trade/vocational program
- To be considered for FREE Tuition at the Community Colleges (CA Promise)
- To be considered for student loans (with typically lower interest rates), Work Study (to work on campus), and some private Scholarships
- Even if you think you may NOT qualify for any financial aid, if an unforeseen financial situation occurs, the FAFSA/DREAM must be filed to be reconsidered for financial aid
- It's a FREE application!

FAFSA or CA Dream Act?

- FAFSA = for eligible U.S. Citizens and eligible noncitizens
- CADAA = for eligible undocumented students and students who meet CA Dream Act Requirements
- Students should **complete one, not both**
- Deadline is March 2nd

Types of Financial Aid

- **Scholarships:** Free money you don't pay back
- **Grants:** Free money based on financial need
- **Work-Study:** Money earned through a part-time job
- **Loans:** Borrowed money that must be paid back

Financial aid packages can include a mix of all four.

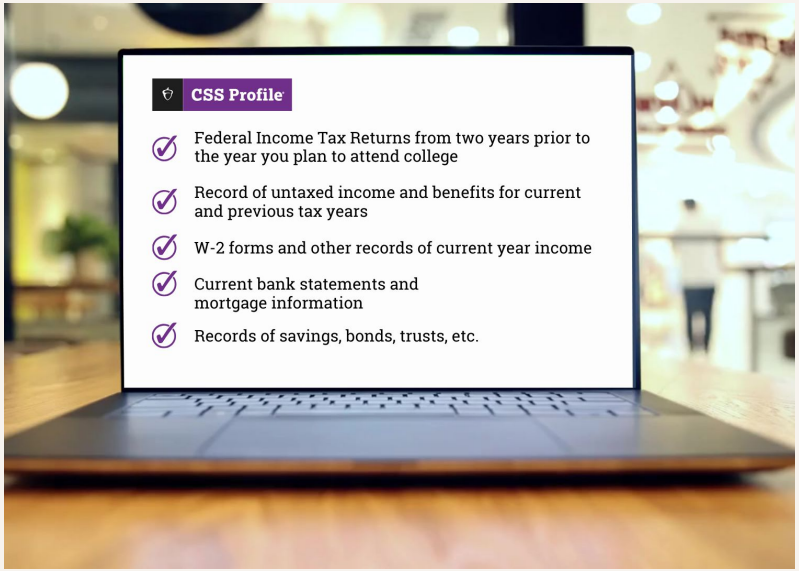

After Submitting

1. Review the confirmation/submission summary
2. Make any corrections if needed
3. Watch for request from colleges
4. Compare financial aid offers before making a final decision

CCS Profile

Some colleges require an extra financial aid form

- Mostly used by private colleges
- Helps colleges decide how much school-based aid to offer
- Does not replace the FAFSA
- Students may need to complete **both FAFSA + CSS Profile**
- Check each college's financial aid page to see if it's required
- *Deadlines vary by college*

***FAFSA** = federal/state aid / **CSS Profile** = additional aid from some colleges*
