

Discover Daisies: Your Girl Scout Adventure Starts Here!

Calling all Kindergarten and 1st grade girls and families who are new to Girl Scouts! Join us for a fun, hands-on introduction to the world of Girl Scout Daisies, where girls will get to create, explore, play, and make a difference—all while discovering what being a Girl Scout is all about!

Girls will jump into exciting activities, try something new, meet new friends, and experience some of the fun and adventure that makes Girl Scouts special. While the girls are having fun, families can learn more about Girl Scouts, ask questions, and find out how to get involved. Onsite registration will be available for new girls & adults!
