Count Day – Thurs., Oct. 1

Through this count, TCA reports all students who are actively enrolled and attending classes. The count supports the State in determining funding eligibility for our students and is very important to our school, the district, and to the funding of our programs. Please make every effort to have your student in attendance during the count period of September 24 through October 8, 2026, and especially October 1.

Avoid scheduling appointments or vacation. If your student is not in attendance on Count Day, the school must provide additional documentation to the Colorado Department of Education (CDE) that your student attended with us both before and after their absence. If you know your student will be gone from October 1, 2026, through October 8, 2026.
