STUDENT TECHNOLOGY USE & DIGITAL RESOURCES AGREEMENT (AUP V2)

1. Overview & Board Policies

As the parent/guardian of a student in the Kingsway Regional School District, I have read and agree to abide by the Board of Education (BOE) policies listed below and available on the district website:

- **Acceptable Use Policy 2360** – Use of Technology
- **Acceptable Use Policy 2361** – Acceptable Use of Computer Network/Computers and Resources
- **Acceptable Use Policy 2363** – Pupil Use of Privately-Owned Technology

Internet access and technology resources provided by the District are designed strictly for educational purposes. Kingsway Regional School District enforces CIPA-compliant content filtering and safety precautions. However, it is impossible to restrict access to all controversial materials, and the District cannot be held responsible for materials viewed outside authorized educational use.

2. Google Workspace for Education & Additional Services Consent

Kingsway Regional School District provides students with managed Google Workspace for Education accounts. To support instruction and digital literacy, the District utilizes both Google Core Services and Google Additional Services.

A. Core Google Workspace Services

Core services include *Google Classroom, Drive, Docs, Sheets, Slides, Gmail, Meet, and Keep*. These services are governed by Google's Education Privacy Notice and are provided under direct agreement with the District.

B. Additional Google Services (Including YouTube)

In accordance with federal regulations (COPPA/FERPA) and Google's Terms of Service for educational institutions, parental consent is required for minor students (under 18) to access **Additional Google Services**, including **YouTube, Google Maps, Google Earth, Google Drawings, and Google Gemini / Chrome integrations**.

> **Parental Authorization Notice:** By signing this agreement, you explicitly grant consent for Kingsway Regional School District to enable and manage Additional Google Services (including YouTube) for your child under their school-managed account, subject to district network security and content filtering policies.

3. Approved Third-Party Educational Digital Resources

To enhance learning, coursework, and assessment, Kingsway Regional School District utilizes vetted

third-party digital instructional applications, browser extensions, and online platforms. Under the Children's Online Privacy Protection Act (COPPA), the District acts as an agent for parents in providing consent for students under 13/18 to use these educational tools strictly for school-related purposes.

The current directory of approved digital instructional resources utilized across district grade levels and subject areas is maintained and updated dynamically throughout the school year at:

4. Student Code of Conduct & Prohibited Behavior

Students must maintain ethical and responsible conduct while utilizing school technology and digital accounts. Prohibited behaviors include, but are not limited to:

- Displaying or transmitting pornographic material, hate mail, harassment, discriminatory remarks, ethnic slurs, or racial epithets.
- Attempting to bypass district web filtering, privacy controls, or security configurations.
- Sharing account credentials, passwords, or unauthorized access with others.
- Engaging in illegal activities, unauthorized commercial activity, or destruction of district software/hardware.

5. Consequences for Inappropriate Use

Violation of district technology policies will result in disciplinary action in accordance with Policy and Regulation 2361, including but not limited to:

- Loss of privilege to bring personal devices to campus.
- Suspension or revocation of district computer network access and user accounts.
- School disciplinary action, detention, suspension, or appropriate legal action.

6. Annual Renewal & Signatures

Note: This agreement must be renewed each academic year.
