

## Georgia Milestones EOC Courses 2026-2027

SBOE Rule 160-3-1-.07 Testing Programs and SBOE Rule 160-4-2-.13 Statewide Passing Score-Student Assessment require that students enrolled in and completing courses assessed by a Georgia Milestones End-of-Course assessment shall take the EOC as a final exam that shall count for at least 10% of the student's final numeric grade.

| Course ID                    | EOC Course Name                                      | Corresponding EOC           |
|------------------------------|------------------------------------------------------|-----------------------------|
| <b>English Language Arts</b> |                                                      |                             |
| 23.06170                     | Literature & Composition II                          | Literature & Composition II |
| 23.06520                     | Pre-Advanced Placement (AP) English II               | Literature & Composition II |
| 23.03800                     | Advanced Placement (AP) Seminar, ELA                 | Literature & Composition II |
| 23.07410                     | Cambridge Advanced English Language (AS Level) 9093  | Literature & Composition II |
| 23.04300                     | Advanced Placement (AP) English Language/Composition | Literature & Composition II |
| <b>Mathematics</b>           |                                                      |                             |
| 27.08110                     | Algebra: Concepts and Connections                    | Algebra                     |
| 27.09110                     | Enhanced Algebra: Concepts and Connections           | Algebra                     |
| <b>Science</b>               |                                                      |                             |
| 26.01200                     | Biology I                                            | Biology                     |
| 26.01210                     | Pre-Advanced Placement (AP) Biology                  | Biology                     |
| 26.01400                     | Advanced Placement (AP) Biology                      | Biology                     |
| 26.01800                     | International Baccalaureate (IB) Biology, Year One   | Biology                     |
| <b>Social Sciences</b>       |                                                      |                             |
| 45.08100                     | United States History                                | US History                  |

Students enrolled in AP/IB/Cambridge/DE Literature and Composition II and Biology who have previously earned core credit shall not take the EOC a second time for the associated AP/IB/Cambridge/DE course.

SBOE Rule 160-3-1-.07 Testing Programs-Student Assessment exempts students enrolled in U.S. History AP, IB, and Dual Enrollment courses from taking the EOC. Exemptions are not allowed for ELA, mathematics, and science. Specific rules apply. See *Student Assessment Handbook* for guidance.

| Course ID              | AP/IB Courses Exempted from Corresponding EOC                                     | EOC Exemption |
|------------------------|-----------------------------------------------------------------------------------|---------------|
| <b>Social Sciences</b> |                                                                                   |               |
| 45.08200               | Advanced Placement (AP) United States History                                     | US History    |
| 45.08700               | International Baccalaureate (IB) History of the Americas, Year One (U.S. History) | US History    |
