Communication

Johnson Senior High School is committed to communicating regularly with parents and families about their student's learning and things taking place at our school. Some of the ways you can expect us to communicate are:

- JHS website
- Bi-weekly family newsletter
- Campus Parent and Schoology
- Mass Notification emails, phone calls, and text messages
- Signage throughout the school
- Staff phone calls including teacher progress calls

What is the Family-School Compact

A Family-School Compact for achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to ensure that all students get the individual support they need to reach and exceed grade level standards and their potential as learners.

Jointly Developed with Parents

The parents at Johnson Senior High School help develop the Compact every year. Every school year parent involvement events are held to gather information and feedback from parents that helps update the compact. Parents should feel free to contribute comments at any time.

Together it was decided that parents will:

- Ensure that their child attends school consistently.
- Communicate with their child's teachers on a consistent basis, especially if they have questions or concerns.
- Provide an environment that supports their child's learning at home.
- Be aware of what their student is learning, how they are progressing, and what they can do to support outside of school.
- Assist their child with maintaining a positive attitude and growth mindset about their learning and school.
- Support and influence their child to seek support or assistance if they express any struggles.
- Attend as many school events as possible to support their student.
