Scheduling a conference can be done online in two easy steps:

1. Visit the link above to register, you will need an active email address. You will not need to create an account or password. You only need to register once, even if you need to schedule conferences for multiple children.
2. After registering, you will be sent an email. Open that email and click the "Click here to select a conference time" link to choose a time to meet with your child's teacher. This link will also give you the options to schedule multiple conferences for the same child and conferences for multiple children.

Please Note: The scheduling website will close at 11:59 P.M. on Tuesday, 11/3. If you need to schedule a conference or change your scheduled time after this, you will need to contact your child's teacher.

If you do not have internet access, please contact us via phone at 570-345-2731 ext. 440 and someone will assist you in scheduling a conference.

**We look forward to seeing you,
