FISCAL MANAGEMENT GOALS

The Board of Education recognizes excellent fiscal planning as a key factor in attaining the district's educational goals and priorities while working in the public's interest. The Board seeks to engage in comprehensive advance planning of budgets and to devise expenditures which achieve the greatest educational returns given the district's available resources.

The Board's establishment of sound fiscal management policies are governed not only by Education Law and Commissioner's regulations, but also such statutes as Local Finance Law and General Municipal Law.
