Parent & Family Engagement (PFE) Program	
What is it?	Liberty High School is committed to working together with parents, students, and the community to improve student academic achievement. The goal of Liberty High School is to ensure that all students graduate from high school ready to succeed in college and/or the career of their choice. Liberty High School recognizes that parents play an extremely important role as their child's first teacher and are valued partners in the educational process. As a result, parents will be included in appropriate decision-making opportunities to support student academic achievement. Liberty High School encourages the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities.
Expectations and Objectives	Liberty High School wants parents to: • Stay informed about their child's academic well-being through various forms of communication • Work in partnership with school staff to help their child to achieve at the highest levels. • Communicate to their child the importance of being prepared for collage and a career.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	Liberty High School is committed to ensuring that parents are partners in all aspects of Title 1, Part A. The Title 1, Part A Parent and Family Engagement Program is about empowering parents, principals, and school and district staff.
Family Meetings	An Annual Meeting for Title 1, Part A parents will be held as a stand-alone meeting separate from Open House or any other school/parent meeting. This Annual Meeting is where parents are informed on how funds are used on their campus for parental involvement activities. This Annual meeting must be offered at times that are most convenient for parents.

How to be Involved	There are many ways in which parents can become involved in their child's education. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of parental involvement are needed in school-home-community partnership to ensure that all children succeed. Liberty High School is responsible for creating meaningful ways for parents to be involved in their child's education. Parents are encouraged to participate in a variety of parental involvement activities. For the safety of all students, all volunteers are required to register through the Volunteers in Public Schools (VIPS) program.
Family Training/Activities	Liberty High School will provide activities that will promote and encourage parental involvement. The goal is to have parent participation in the decision-making process regarding the Title 1, Part A program.
Curriculum	Liberty High School curriculum is based on the HISD curriculum which is established on the Texas Essential Knowledge and Skill (TEKS) and includes nonnegotiable objectives that must be taught at every grade level. Every Liberty High School student will be provided equal access to rigorous instruction and academic programs. Liberty High School recognizes that some students may need

	additional assistance which is available through the Title 1, Part A program to obtain high academic achievement.			
Forms of Academic Assessment	Students will be evaluated with a variety of assessments, including STAAR, TELPAS, TSI, SAT, and numerous district mid-cycle and end-of-cycle exams.			
Expected Achievement levels on academic assessments	-51% of the students in the campus accountability group improved by one level or more on TELPAS exceeding the state standard of 36%. -The campus has one identified Special Education Student. -STAAR 2025 results indicate (50)% of the students taking Reading STAAR scored at the approaches level and (20)% at the meets level.
