Thanksgiving Food Drive

Help families in need this Thanksgiving, and donate to the WSISD Thanksgiving Food Drive now through Nov. 11. Donations are accepted at every school and at the WSISD Administration Building. Click the link to make a [monetary donation](#).

Attendance Matters

Regular school attendance plays an important role in student success. Every day in the classroom gives our Brewer Bears valuable opportunities to learn new skills, build relationships with teachers and classmates, and stay on track academically. Consistent attendance also helps students develop responsibility, confidence, and habits that will benefit them throughout their lives.

When students are at school, they are better positioned to reach their full potential. Together, we can help every Brewer Bear succeed by making school attendance a priority. Let's show up, stay engaged, and make every school day count!

WSISD CTE

BLOCK PARTY

8TH GRADE FAMILIES EXPLORE CTE PROGRAMS

MONDAY, OCT. 26

6 - 7:30 P.M. BREWER HIGH CAFETERIA

MANDATORY PARENT MEETING 6 P.M.

Free Pizza

Eighth Graders and Families invited to learn about career pathways during CTE Block Party

The Brewer High School Career and Technical Education (CTE) Department invites Brewer Middle School eighth graders and their families to learn about the various career pathways offered at BHS during its CTE Block Party Monday, Oct. 26 from 6 to 7:30 p.m. in the Brewer High School cafeteria.

The event will include free pizza, and participants will learn more about CTE programs such as plumbing, welding, cosmetology, culinary arts, engineering, agriculture and more through interactive displays and demonstrations!

The event will begin with a mandatory Parent Meeting at 6 p.m. in the auditorium.

The BHS CTE Department offers 12 different pathways and 24 Programs of Study. CTE students take a sequence of courses that may begin in middle school and continue in high school, preparing them for entry-level work in a career path.

Every Program of Study provides students with the opportunity to earn Industry-Based Certifications or college credit.
