GOOD NEWS

Student Agency Star of the Week

We are excited to recognize **Natalia as Pronghorn Ridge's Star Student of the Month!** Her teachers unanimously agree that she is a stellar student and positive role model.

Natalia's hard work, attention to detail, and dedication earned her a place on **Pronghorn Ridge's first-ever Honor Roll**. She consistently gives her best, comes ready to learn, helps others, and isn't afraid to ask questions.

Natalia also shines as a **student-athlete**, competing in cross country, basketball, and track and field. She continually pushes herself to improve while leading by example with positivity, respect, and determination.

Natalia truly represents what it means to be a Pronghorn, and we are so proud to recognize her!

Pronghorn Ridge Middle School

CLASSROOM ANGELS

A big thank you to the **Firefighter Angel Foundation** for making wishes come true this week! They delivered gifts straight from our **teachers' wish lists**, bringing a little extra joy to classrooms across HUSD. **We are so grateful for their generosity and continued support of our teachers and schools!**

CAFETERIA CIRCUS

NATIONAL SCHOOL LUNCH WEEK

October 5th - 9th 2026

STEP RIGHT UP

The National School Lunch Program (NSLP) serves nearly 30 million children every school day. President John F. Kennedy created **National School Lunch Week (NSLW) in 1962** to promote the importance of a **healthy school lunch** in a child's life and the impact it has inside and outside of the classroom.

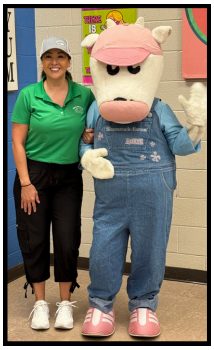

Nutritious foods become the stars of the show during National School Lunch Week. Through **themed menus, prizes at the elementary schools and colorful decorations**, students of every age are invited into the big top to discover that **healthy choices can be both nutritious and fun**.

SHOUT OUT SPOTLIGHT

Our very own **Desiree Clark, 8th grade science teacher at Pronghorn Ridge Middle School,** was recently featured in the **Arizona Science Teachers Association's Teacher Spotlight**! She is **the first teacher in our district to be featured**, and we are so proud of her!

Desiree brings **curiosity and hands-on discovery** into her classroom, inspiring the next generation of thinkers, innovators, and problem-solvers. She is also a leader in the science education community, sharing her passion for science and helping inspire educators beyond her own classroom. Her **dedication to her students and her passion for STEM education** shine throughout the Pronghorn Ridge community.

Congratulations, Ms. Clark! We are so proud to celebrate you!

BEARS GIVING BACK

Nine BMHS students and three teachers—Dani Larson, Beverly Stubbs, and Nick Othon—spent the morning volunteering with the **Rosa Foundation**, packing food boxes and helping load them into cars. Their efforts helped serve **nearly 500 people in our community!** **Making it even more special, the foundation was started by BMHS alum David Carillo and his dad, Jose Carillo. We love seeing Bears past and present giving back to our community!**

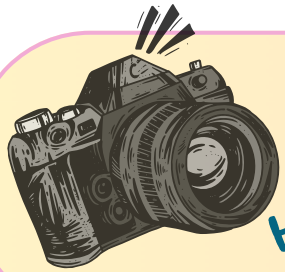

FINDING THEIR WAY

BMHS JROTC put their navigation skills to the test at Spence Basin, with two teams finishing **5th and 7th out of 152 teams!** Way to navigate, compete, and represent the Bears!

Congratulations to medalists C/CPT John G., C/1LT Owen S., C/CSM Samantha H., C/CPL Marco K., and C/CPL Preston M.!

Wait... How did they get featured in the Good News?
