BUILDING BRIDGES

BMHS Student Council members are helping younger students look ahead! They visited middle schools to share what high school is like, answer questions, and encourage students to think about their futures. Along the way, they also stopped to read to some excited elementary students. **Bears leading the way!**

BIG TOP OF TALENT

Congratulations to Lake Valley's Cafeteria Circus Coloring Contest winners! These talented students brought the circus to life with colorful creations and plenty of imagination.

Way to shine!

FULL STEAM AHEAD

Science took flight at Bradshaw Mountain Middle School! Ms. Decker's eighth-grade **STEAM** students put Newton's Laws into action by designing and launching water bottle rockets. They tested their designs, analyzed results, and made improvements before the final launch—bringing science and engineering to life through hands-on learning!

Wait... How did they get featured in the Good News?
