Explorer Day

It was a great week in the 5th grade! We had a fantastic time at the Catamount Institute on Tuesday. A heartfelt thank you to our wonderful parent volunteers who joined us. We are so grateful for your time, enthusiasm and willingness to help make the day such a meaningful experience for our fifth graders.

A Reminder About Dress Code: As we move through the school year, we'd like to offer a friendly reminder about our school dress code. Skirts and dresses should fall no more than 2 inches above the knee. We've noticed that some skirts have been a bit shorter than our guidelines allow, and we appreciate your help in ensuring that students arrive at school dressed appropriately. If a skirt does not meet the dress code requirements, the student will be sent to the office to address the issue before returning to class. Thank you so much for partnering with us to help our students uphold our school's standards with grace and confidence!
