Your Next Chapter in Education

West Island College (WIC) is a leading independent school in Calgary, Alberta. We are known for academic excellence, strong relationships, and a forward-thinking approach to education grounded in well-being and belonging.

At WIC, classrooms are places where curiosity thrives, perspectives are respected, and students are encouraged to ***Be Brave. Be Ready. Be the Future.***

We are a close-knit, inclusive community that values diverse experiences and voices—among both students and staff—and believes exceptional teaching is rooted in trust, collaboration, and purpose.

The WIC Experience

1. **Innovative Culture**: Fresh ideas are welcomed, and continuous improvement is encouraged.
2. **Empowered Educators**: Your professional voice matters, and collaboration is how we work.
3. **Community-Driven**: Strong relationships and teamwork shape daily life at WIC.
4. **Tools for Success**: Modern technology and well-equipped facilities support your work.
5. **Independent School Advantage**: Smaller classes, motivated students, and flexibility to innovate.
6. **CAIS Accredited**: Access national networks and ongoing professional growth.
