Jennings Football Team to Receive \$5,000 in T-Mobile's "Friday Night 5G Lights" Contest

[ST. LOUIS, MO – Sept. 18, 2026] The Jennings High School Football Warriors will face the University City Lions at Jennings' Warrior Field on their home field on Friday, Sept. 18, at 6 p.m. This highly anticipated game promises to be exciting in a number of ways!

In addition to the spirited match-up, halftime will feature the **Jennings Marching Warrior Band** and a special presentation. Jennings will observe a traditional **Senior Day** celebration before welcoming special guests on the field. Jennings' Athletic Director Marlos Reynolds will accept a \$5,000 check from T-Mobile on behalf of the District. Jennings is one of the first cash-prize winners of the T-Mobile "**Friday Night 5G Lights**" contest worth thousands of dollars to teams across the country culminating with a \$1 million football field upgrade for one lucky team.

T-Mobile senior manager Emily Stefan said, "From the players and coaches to the marching band, families and fans in the stands – Jennings shows how Friday Night football can unite an entire community." She added, "That's what Friday Night 5G Lights is all about – celebrating schools like Jennings where they pour their hearts, pride and dedication into their athletic programs and giving those schools an opportunity to take their game-day experience to the next level."

A.D. Reynolds added, "We are extremely grateful to our partners at T-Mobile for the \$5,000 prize and the opportunity to continue on in the contest. Our coaches and athletes are excited about this support and have set their sights on winning the grand prize; a complete upgrade of the football field, which has not been updated in years."

Reynolds continued, "The team at T-Mobile understands the importance of supporting high school athletics and using games to foster community connections. We are asking all of our JSD community including local businesses and partners to vote for Jennings." **(Please like, share and tag #FN5GL and #Entry on Facebook and Instagram posts @TMobile and @jenningsathletics.)** Should Jennings win the T-Mobile grand prize, Reynolds said, "It will be a 'win-win' for Jennings and for all visiting guests, because with a little luck, they might soon be playing on our beautiful new field."

The Top 40 Division finalist schools in the contest will be announced on Oct. 8, followed by public voting from **Oct. 8–25** to determine the Final 4 Champion schools with the grand prize winner announced on **Nov. 12, 2026**.
