

SUCCESS LEARNING CENTER

Proposition 28: Arts and Music in Schools Act School Site Expenditure Plan | Fiscal Year 2026–27

Background

Proposition 28: Arts and Music in Schools (AMS) Act provides an annual source of funding for arts education in California, between \$800 million and \$1 billion each year. This document, the School Site Expenditure Plan Template, supports the planning of these funds.

Each school is required to submit an annual board-approved report detailing the types of arts education programs funded, the number of FTE teachers, classified personnel, and teaching aides; the number of students served; and the number of school sites providing arts education programs with such funds.

Document Purpose & Directions

The instructions below guide school sites through inventorying current expenditures supporting arts education. All cells highlighted in the original template require data entry by the user.

Note: For LEAs with more than 500 students, no more than 20% of funds can be spent on training supplies, curriculum, professional learning, materials, and arts education programs. In this template, Category 2: Equipment, Supplies & Materials and Category 3: Arts Partnership Programs roll up together to make up this 20%.

School Site Information
