Asian Pacific American Student Union (APASU)

APASU aims to foster awareness of the diverse experiences the APIDA community faces. We work to educate people on different cultural identities, and provide a safe space for everyone to use their voices and share their experiences with one another.

Black Student Union (BSU)

Educates members on black culture and issues while also forging connections between various communities. Students foster meaningful conversations and learn more about the black culture in our city through inclusion, diversity, education, allyship, and advocacy.

Book Club

The Book Club is a place for students to meet and discuss books in support of their love of reading. All are welcome to their monthly meetings to share perspectives on books through discussion. No “required reading” for these meetings. Simply come prepared to talk and share, regardless of whether you read each day or haven’t had time for a while!

Building Bridges

This club allows students with an interest in service to collaborate on unique service projects each month! Students get service hours, serve the larger community, and spread the UA mission.

Catholic Math League Club

Participates in the national math competition and is a place to challenge oneself and problem-solve in a fun and supportive environment.

Chomped

Chomped cooking club gives students the opportunity to try new recipes, explore new cuisines, and cook with other lions.

Ingredients

- Friendly leaders
- A variety of fun recipes
- Learning new skills
- Building community
- Cooking for others and enjoying yummy treats
- Learning to honor allergies and dietary restrictions

Creative Cuts

Creative Cuts is a welcoming place where people come together to create scrapbooks, share their stories, and celebrate who they are.

Earth Action Team (EAT)

This club is focused on overall sustainability to make Ursuline Academy more eco-friendly. Students learn about renewable resources, collaborate on ways to reduce waste, and hear from professional guest speakers in the field.

ESCUELAS HERMANAS

Escuelas Hermanas is a language exchange club that only runs through the first semester. This club is connected with a school in Peru called el Colegio de la Inmaculada, Jesuitas in Lima Peru. In our club we share traditions and talk about the differences between our cultures. This club is a good way to talk to people from a different culture and many people continue talking to their friends even after the year is over. This club helps students in Peru to practice their English and for our students to practice their Spanish. Some of the meetings are through video call and the others are through a texting platform.

French Club

French Club works to educate students on French culture, teach about francophone countries, and promote intercultural knowledge and connections.

German Club

German Club meetings cover a wide variety of topics including German history, traditions, food, stories, and the language.

Hispanos y Latinos Unidos (HyLU)

HyLU focuses on empowering Hispanic and Latino students, fostering a supportive environment to learn and appreciate Hispanic and Latino struggles, culture, and values at UA.

HOSA

HOSA-Future Health Professionals is a club for students interested in exploring careers in healthcare. Members develop leadership skills, participate in service opportunities, and connect with others who share their interests. HOSA also offers competitive events that provide opportunities to challenge members, gain experience, and compete at regional, state, and international levels.

Jewelry Making Club

The Jewelry Making Club offers a creative space for students to explore jewelry styles and traditions from around the world. Each meeting features a different style for members to recreate while learning new techniques and expressing their own personal style.

Latin Club

The purpose of Ursuline's Latin Club is to promote the ancient Roman culture, to incorporate academic Latin with activities, to serve the community and the school, and to send a successful delegation to the Ohio Junior Classical League Convention.

Life Skills Club

Students can join this club to gain a deeper understanding of life beyond high school. They learn how to navigate finances, build and repair necessary things, and increase their overall independence before leaving Ursuline.

Medex – Medical Exploration

This organization allows students to explore various careers in the healthcare field through presentations, hands-on activities related to medicine, and fun facts about the human body. This allows students to meet their peers interested in healthcare careers while also networking with career professionals!

Mental Health Alliance

Members promote wellness, encourage positive thinking, and help create a supportive and caring school community planning events, building awareness, and hosting activities throughout the school year.

Mock Trial

Curious about what it is like to be a lawyer? Join Mock Trial Club to help create simulated trials and take on the role of an attorney! Our club meets with current law students and engages with experienced professionals to find out what a career in law could look like.

Model UN (MUN)

Model United Nations is a fun way to explore global issues while stepping into the role of a United Nations delegate. Whether you're passionate about current events or simply enjoy meaningful conversations, MUN is a great place to learn, grow, and make your voice heard.

Muslim Student Association

The MSA aims to unite Muslim students of diverse backgrounds to discuss Islam in the world today and educate others on misconceptions.

Paint and Ink

The Paint and Ink club is an opportunity for students to share their artistic abilities over various mediums. Students hone their craft while expressing their own unique creativity!

Pickleball Club

The Pickleball Club brings students together for friendly pickleball competitions at every meeting. Beginners and experienced players alike are welcome to learn new skills, stay active, and have fun!

Publications

Extra! Extra! Read all about it! Do you want to see your own work published? Want to hone your craft, practice your photography and design skills, and share your voice with your peers? Join our school yearbook and newspaper to share your talents with the UA community!

Robotics AI Club

Come to Robotics Club to engage with our Unitree Go2 robot and get familiar with coding and team building.

Sign Language

We can foster an inclusive and empathetic community of openness and a welcoming environment through club learning of American Sign Language. We believe that communication should never be a barrier for people and strive to offer accessibility and communication resources, as well as create a version of Ursuline that is open for everyone. Our overall goal is to celebrate diversity, and UASL is a step toward doing that.

Ski Club

A place to express your passion for skiing or snowboarding. A perfect place to get involved with UA outside of school. Meets in December-March at Perfect North Slopes

Slime Club

Slime Club offers a fun, creative space for students to make a new type of slime at each meeting. Join us to experiment with different colors, textures, and ingredients while spending time with friends!

South Asian Middle Eastern Affinity

This club works to create a space for community, while encouraging students to explore cultural diversity. Their meeting themes include languages, religions, history, and culture.

Spectrum

Spectrum provides a welcoming and inclusive environment for all students, with a focus on LGBTQ+ topics. The club aims to educate, engage, and enrich its members and the wider school community, with respect to the teachings of the Catholic Church.

Stellar Wonderz

Stellar Wonderz brings students together to spread kindness through creativity. Members create paper stars with encouraging messages, handmade crafts, and care kits to brighten the days of hospital patients, veterans, and older adults. Join us to use your creativity to make a positive difference in someone's life!

Theater Arts Group

This organization strives to give students the opportunity to create their own entertaining content and showcase it to the entire Ursuline community. Students feel empowered to make their own way in the world and to foster their own creativity through this inclusive organization.

Writing in Community

Writing in Community offers a welcoming space for students to explore creative writing and other forms of written expression. Members develop their skills, share ideas, and connect with fellow writers while discovering their own unique voices.

Young Entrepreneurs

This business club is about community and creativity. They aim to prepare everyone for the St. X Pitch Deck Competition for scholarship money!
