After School Explorations Session 2

Thursday, November 05- Wednesday, December 16

Monday Explorations

5 Weeks: November 09, 16, 30, December 07, 14

Thanksgiving Break–November 23-27

JK2–SK | 2:50–3:30 PM

Crouching Tigers: Martial Arts | JK2–SK | $130 | Kristen Zogbi | kristen@inspiredkidsprograms.com

Join the Crouching Tigers staff (Senseis)on Mondays for a fun introduction to martial arts! Students will learn basic karate skills, including kicks, punches, blocks, balance, and self-defense through engaging activities, games, and storytelling. Students will build strength, confidence, coordination, and important safety skills in a fun and supportive environment. *New and returning students are welcome!*

Rapunzel's Gymnastics | JK2–SK | $108 | Jeanie Gensheimer | rapunzel1963@yahoo.com

GYMNASTICS WILL NOT MEET ON NOVEMBER 09.

Gymnastics is a great sport for developing strength, coordination, flexibility, and confidence. Students will have fun learning new skills and working at their own pace, with activities including tumbling, rolls, cartwheel drills, backbend bridges, beam, bars, and springboard. *New and returning students are welcome!*

Grades 1–5 | 3:35–4:35 PM

Beads & Besties | Grades SK-2 | $75 | Emily Wilhelm | EWilhelm@parktudor.org

Get creative with colorful beads, friendship bracelets, necklaces, keychains, and fun accessories! Students will design their own creations, make special gifts for friends, and let their creativity shine.

Cozy Club: Hygge- Treats, Crafts, & Relax | Grades 2-5 | $75 | Jennifer Gulino | jgulino@parktudor.org

Get cozy and embrace the Danish concept of *hygge* (pronounced "hoo-gah"), which is all about comfort, warmth, and enjoying the little things! Students will make their own no-sew fleece tie blankets, sip hot chocolate, enjoy s'mores, and participate in cozy crafts and relaxing activities.

Phoenix Rising Karate | Grades 1–4 | $95 | Robert Bilek | phoenixrisingkarate@gmail.com

Students will learn basic karate stances, strikes, kicks, and blocks while developing hand-eye coordination, agility, strength, and self-confidence. New students will receive a white belt and karate shirt to begin their training. Returning students will continue building their skills and receive a new karate shirt!

Theatre Club | Grades 3–5 | $75 | Allison Flook | flook@parktudor.org

Join us for Theatre Club, where we'll play fun games, explore dramatic readings, practice acting skills, and bring stories to life! Build confidence and spark your imagination. Whether you're a seasoned pro or just looking for something fun to do, it's sure to be a *dramatically* fun time!

Squishies Club | Grades 3–5 | $75 | Lindsey Lawrence | llawrence@parktudor.org

Get ready for a squishy good time! Students will create, decorate, and customize their own Squishies using fun materials, colors, and designs. From DIY stress balls to adorable squishy creations, this club is all about creativity, hands-on fun, and taking home something uniquely theirs!

Tuesday Explorations

5 Weeks: November 10, 17, December 01, 08, 15

Thanksgiving Break–November 23-27

JK2–SK | 2:50–3:30 PM

Taylor Swift Dance Club | Grades JK2-SK| Webby Dance Company- Ariana Murphy | amurphy@webbydancecompany.com

Join Webby Dance Group for a Taylor Swift–themed after-school dance club! Each week, we'll explore a different Taylor Swift era through fun dance routines, learn new moves and skills, and build friendships along the way. Get ready to dance, sparkle, and shake it off!

Princess Club | JK2–SK | $75 | Rachel Dabertin | rdabertin@parktudor.org

Join Ms. Dabs each week as we become princes and princesses ourselves and celebrate a new princess' adventure! We'll explore beloved princesses like Belle, Rapunzel, Aurora, Pocahontas, Merida, Raya, and Jasmine through fun crafts, games, stories, music, and imaginative play. Get ready to dress up, create, play, and make a little magic each week!

Grades JK2–5 | 3:35–4:35 PM

Made By Me: Craft Club | JK2–SK | $75 | Kirsten Edwards | kedwards@parktudor.org

Join Mrs. Edwards, 5th-grade teacher and JK2 mom, for an after-school Craft Club! Each week, we'll create something fun, from Shrinky Dink keychains and magnets to bracelets, Squishies, and more. Get ready to create, craft, and have a crafty good time!

Lego Builders| JK2–SK | $75 | Carolyn Schilling | cschilling@parktudor.org

Ready, set, BUILD! Let your imagination run wild in this fun-filled after-school adventure where builders become creators! From towering castles and wild inventions to amazing cities and spaceships, kids can dream it, build it, and bring their ideas to life—one LEGO brick at a time!

Storybook Studio | Grades 1–3 | $75 | Rachael Wendling | rwendling@parktudor.org

Join Mrs. Wendling for Once Upon an Art Club, where stories inspire creativity! Each week, we'll enjoy a fun read-aloud and create an art project inspired by the story. From drawing and watercolor to beading and collage, students will explore different art techniques, experiment with new materials, and bring their favorite stories to life through art. Let your imagination turn the page!

Taylor Swift Dance Club | Grades 1-3| Webby Dance Company- Ariana Murphy | amurphy@webbydancecompany.com

Join Webby Dance Group for a Taylor Swift–themed after-school dance club! Each week, we'll explore a different Taylor Swift era through fun dance routines, learn new moves and skills, and build friendships along the way. Get ready to dance, sparkle, and shake it off!

***Hatchet* Book Club | Grades 4–5 | $60 | Emily DeLaney | edelaney@parktudor.org**

Join Mrs. DeLaney for an exciting *Hatchet* Book Club adventure on Tuesdays after school! We will explore Gary Paulsen's thrilling survival story through hands-on challenges, creative projects, and teamwork activities inspired by the wilderness. Get ready for an adventure filled with imagination, collaboration, and a little wilderness ingenuity!

Indy Saber: Fencing | Grades 3–5 | $180 | Val Kizik | val.kizik@sbcglobal.net

Put down the game console and pick up a safe, plastic sword! This action-packed club introduces kids to the basics of fencing and sword play through fun drills, movement, and imaginative adventure.

Students will learn safe sword handling, basic fencing stances and movements, coordination drills, and fun facts about swords from around the world—all while building confidence, focus, and fitness. No experience needed! Swords and beginner fencing gear are provided.

Wednesday Explorations

5 Weeks: November 11, 18, December 02, 09, 16
Thanksgiving Break–November 23-27

JK2–SK | 2:50–3:30 PM

Soccer Shots Classic | JK2–SK | Kristen Rebholz | kristen@soccershots.com

New Enrollment: $135 *(students who did not participate in Session 1)*
Returning Participants: $100

Soccer Shots is a nationally recognized and awarded program that offers high energy, fun, and age-appropriate soccer lessons. Soccer Shots Classic is a high-energy and fun program that utilizes creative and imaginative games to teach soccer skills like dribbling, shooting, and passing/trapping. We also highlight a positive character trait each session such as respect, teamwork, and appreciation, and play scrimmages to learn the rules and concepts of soccer games. We are driven by the belief that a positive experience with sports can have a lasting impact on a child's life. We believe that soccer is a perfect platform to help prepare children for success, on—and off the field.

Grades JK2–8 | 3:35–4:35 PM

Shopping Spree- Mall Experience | JK2-SK | $75 | Carolyn Schilling | cschilling@parktudor.org

Ready, set, SHOP! Join a thrill-filled after-school adventure where little shoppers can explore the exciting world of the mall! From pretend shopping and fun finds to creative play and mini shopping adventures, kids will practice what it's like to both own a shop and enjoy a boutique full of buys!

Discovery Club | Grades JK2-SK | $75 | Jennifer Gulino | jgulino@parktudor.org

Calling all little explorers! Dig into the prehistoric world of dinosaurs, uncover ancient fossils, and discover sparkling gems and geodes. Each week brings new hands-on adventures filled with digging, exploring, and exciting discoveries!

Robotics Club | Grades 4-5 | $75 | Mallory Jurkash | mjurkash@parktudor.org

(This club is not an option for students currently in the competitive robotics club.)

Looking to explore robotics in a fun, hands-on, stress-free environment? The Robotics (Build Only) Club is open to 4th and 5th graders who are excited about building without the competitive component. Students will learn core mechanics as we construct a drive train and a mechanical claw.

Hot Bead Magic | Grades 1–5 | $65 | Ariel Plummer | abakeralfeld@parktudor.org

Get ready to turn up the heat and create some bead-tastic magic! In Hot Bead Magic, students will explore the colorful and creative world of fuse beads while designing their own unique creations. From fun shapes and colorful patterns to animals, characters, and imaginative designs, the possibilities are endless!

Weaving Club | Grades 4-6 | $65 | Tracey Petrov | tpetrov@parktudor.org

Students will gain an understanding of warp and weft and practice plain weave. They will learn how to create patterns and shapes, add texture, then apply skills to a project such as coasters, small pouch, or a wall hanging.

Soccer Shots Premier | Grades 1–3 | $168 | Kristen Rebholz | kristen@soccershots.com

Soccer Shots Premier is for school-aged children that want to build upon the soccer skills they have already learned, as well as those that are new to soccer. Focusing on individual skill, fitness, and sportsmanship, each session provides an opportunity for players to be challenged

through fun games and team competitions. Players will also be introduced to tactical elements and concepts of game play through weekly scrimmages. We also use the platform that soccer provides us as a tool for teaching character development lessons each week. Thus, players not only learn new skills and participate in fun games, scrimmages, and team challenges each week, but also learn teamwork, cooperation, leadership, and confidence, etc.

Grades 1-3 | 3:45–4:45 PM

Seek & Snack | Grades 1-3 | $75 | Lili Helmuth | lhelmuth@parktudor.org

Get ready to search, solve, and snack! Students will tackle exciting scavenger hunts, solve fun puzzles and riddles, and enjoy delicious, themed snacks along the way.

Grades 4–8 | 3:35–5:00 PM

Order in the Court| Grades 4–8 | $112.50 | Joe Fumusa | jfumusa@parktudor.org

Do not miss the opportunity to showcase your skills in front of a Marion County Superior Court Judge! In this course, students will learn both the law and the art of persuasion in the courtroom by playing the roles of prosecutors, defense attorneys, and witnesses, through preparing and performing a mock trial (based upon a historical case). The judge will officiate the trial and instruct the jury in all points of law as they deliberate at the conclusion of the trial and ultimately pronounce a verdict determining guilt or innocence. (Parents and families are most welcome to attend the trial on December 16.)

Thursday Explorations

5 Weeks: November 05, 12, 19, December 03, 10

Thanksgiving Break–November 23-27 / LS 11 a.m. Dismissal on December 17/ Last Day before Winter Break

JK2–SK | 2:50–3:30 PM

Amazing Athletes | JK2–SK | $100 | Stacy McIntyre | smcintyre@jumpbunch.com

Amazing Athletes is a fun sports and fitness program that introduces children to 10 major sports while developing spatial awareness, body movement, coordination, and fitness. Through obstacle courses, group games, skill-building activities, and plenty of fun, students will learn basic sports awareness in an energetic and non-competitive environment. Come join the fitness fun and be an AMAZING ATHLETE!

Amazing Sea Creatures Pottery and Multimedia | JK2-SK | $170 | Jeremy South | claymansouth@gmail.com

Join us as we discover a new adventure with the sea every week! Start with creating your very own giant whale and Mosasaurus of clay. Then, create a beautiful underwater world with plants and animals. Add your own dolphin! Every child will have an opportunity to create their own seascape bowl on the pottery wheel. All items will be finished and picked up a few weeks after the class ends. *No experience needed.*

Grades JK2–5 | 3:35–4:35 PM

The Nutcracker – A Magical Holiday Adventure| JK2-1 | $75 | Carolyn Schilling | cschilling@parktudor.org

Step into a world of holiday magic! Join us for a whimsical after-school adventure inspired by The Nutcracker, where dancing toys, sparkling snowflakes, and magical kingdoms come to life! Through festive crafts, imaginative play, creative activities, and a sprinkle of holiday wonder, kids will explore the magic of this beloved winter classic.

Little Chemists | JK2–SK | $75 | Kirsten Edwards | kedwards@parktudor.org

Join Mrs. Edwards, 5th-grade teacher and JK2 mom, for our after-school Science Club! Each week, we'll explore chemical reactions, conduct fun experiments, and discover the amazing things science has to offer. Get ready to experiment, explore, and have a blast!

Amazing Sea Creatures Pottery and Multimedia | Grades 1-5 | $180 | Jeremy South | claymansouth@gmail.com

Join us as we discover a new adventure with the sea every week! Start with creating your very own giant whale and Mosasaurus of clay. Then, create a beautiful underwater world with plants and animals. Add your own dolphin! Every child will have an opportunity to create their own seascape bowl on the pottery wheel. All items will be finished and picked up a few weeks after the class ends. *No experience needed.*

Books and Bites | Grades 1-3 | $75 | Tami Hunt | thunt@parktudor.org

Join Mrs. Hunt for Books & Bites! Each week, we'll enjoy a fun read-aloud, create a themed snack, and make a craft inspired by the story. From delicious treats to creative projects, every week brings a new adventure!

Party Planet: Celebrations Around the World | Grades 2–5 | $75 | Rachel Dabertin | rdabertin@parktudor.org

Who's ready to party, my party people? New and returning friends—get ready to celebrate!

Join Ms. Dabs for another global adventure as we explore four amazing countries, discovering their customs, festivals, and traditions. Each week, we'll craft, play games, celebrate, snack, and "cook" our way through a new part of the world.

Your next world tour awaits!

Friday Explorations

5 Weeks: November 06, 13, 20, December 04, 11

Thanksgiving Break–November 23-27 /LS 11 a.m. Dismissal on December 17/ Last Day before Winter Break

JK2–SK | 2:50–3:30 PM

Techie Kids: S.T.E.A.M. | JK2–SK | $155 | Kristen Zogbi | kristen@inspiredkidsprograms.com

Techie Kids Club teaches foundational coding and robotics through fun, hands-on learning with age-appropriate tools like robots and tablets. Students explore sequencing, loops, algorithms, conditionals, and debugging while building creativity, problem-solving, and critical-thinking skills. The curriculum introduces real computer science concepts in a playful, easy-to-understand way that builds confidence over time.
www.techiekidsclubmidwest.com

Wild & Wonderful Yoga | JK2–SK | $125 | Audrey B | sillyheartsyoga@gmail.com

Step into the wild for an after-school adventure! In Wild and Wonderful Yoga Club, kids will explore the natural world through playful yoga poses, movement games, mindfulness activities, and nature-inspired adventures. Each class will feature a different nature theme, from animals and insects to forests, gardens, weather, and the changing seasons. Kids will move, breathe,

imagine, and discover while building strength, balance, flexibility, focus, and confidence. Come ready to stretch, explore, and let your imagination run wild!

Chess Club | JK2–SK | $83 | Aaron Dean – Learning Through Games | adean@learningthroughgames.com

Learning Through Games has been making chess fun for children in Indiana for years and has produced many state champions. This class is designed for all levels and ages and is taught in a friendly, encouraging environment. Chess fosters logic, creativity, and critical thinking while improving concentration, memory, and problem-solving skills.

Grades SK–5 | 3:35–4:35 PM

Geo Club | Grades 3–5 | $75 | Rachael Wendling | rwendling@parktudor.org

Calling all rock lovers and curious explorers! Discover the fascinating world of rocks, minerals, crystals, and geodes. Students will explore different types of rocks, learn how crystals form, examine geological treasures, and enjoy hands-on activities and exciting discoveries along the way!

Techie Kids: S.T.E.A.M. | SK–Grade 2 | $155 | Kristen Zogbi | kristen@inspiredkidsprograms.com

Techie Kids Club teaches foundational coding and robotics through fun, hands-on learning with age-appropriate tools like robots and tablets. Students explore sequencing, loops, algorithms, conditionals, and debugging while building creativity, problem-solving, and critical-thinking skills. The curriculum introduces real computer science concepts in a playful, easy-to-understand way that builds confidence over time.
www.techiekidsclubmidwest.com

Chess Club | Grades 1–5 | $83 | Aaron Dean – Learning Through Games | adean@learningthroughgames.com

Learning Through Games has been making chess fun for children in Indiana for years and has produced many state champions. This class is designed for all levels and ages and is taught in a friendly, encouraging environment. Chess fosters logic, creativity, and critical thinking while improving concentration, memory, and problem-solving skills.

Professor Watermelon & Mister Smart: Creative Writing & Drawing | Grades 1–5 | $145 | Chadwick Gillenwater | prof.watermelon@gmail.com

Become young authors, illustrators, and media creators! Professor Watermelon will show you how to create stories with memorable characters, twisty plots, and captivating settings. Mister Smart will show you how to bring these stories to life with your own cartoons and art. Be prepared to have FUN while challenging your imagination—and don't forget about the Melon Money you will earn for the prize auction at the end of each class! The exciting world of storytelling is at your fingertips. Will you join us?

Pottery Wheel Passion: Animals and Habitat | Grades 1–5 | $175 | Jeremy South | claymansouth@gmail.com

POTTERY WHEEL PASSION WILL NOT MEET ON NOVEMBER 06.

Dive into the world of animals from around the world and work on the pottery wheel in every class! Every child will create part of their animal habitat on the pottery wheel in each class. We will design and create penguins and igloos, bird in a tree, Butterfly with flowers and more. All items will go through the process of firing and will be delivered for pickup a few weeks after classes.
