- Students must be able to manage their costumes independently when using the restroom.

Please mark your calendars!

🧡 Every Day in the Den Matters!

As we begin the second quarter, let's continue working together to make daily attendance a priority for our Timberwolves! Every day of instruction builds on the day before, and when students miss several days, it can be challenging to keep up with new skills and concepts. We know our Timberwolves are capable of great things, and being at school each day gives them the best opportunity to succeed!

One of my favorite parts of the day is seeing our students in the Den, whether it's a quick hello, a high five, or a story they can't wait to share! Having our Timberwolves here, ready to learn, makes each day a great one. Thank you for partnering with us to keep our students learning, growing, and moving forward!

🐾 Thank You, Timberwolf Families!

Thank you for your continued involvement and support of Lightfoot Elementary. Whether you're volunteering, participating in school events, or supporting learning at home, you help make our Timberwolf community a great place for our students.

Enjoy the week, and I'll see you at Trunk O' Treat at UES parking lot at the Mystery Machine on Thursday!
