The plan will be updated following the upcoming MVPA Benchmarks to reflect current student projected proficiency.
Academic Updates (15 min)	i-Ready Data • ELA • Math Intervention • WIN Block Notes: Implementation is underway throughout the school to support student

	learning and academic growth. Students are checking in weekly to celebrate their progress. Our Intervention Block is underway! Ms. Morrison shared an overview of its structure, and AP Rice recognized staff for their collaboration and efforts in making implementation successful. Ms. Jordan recommended surveying students to gather feedback on activities and opportunities they would like to participate in during Friday intervention sessions. Students will take MVPA benchmarks assessments beginning November 4, 2026. Results will be shared during the November SIT meeting.
School Operations Updates (10 min)	• Safety and security • Transportation/bus updates <u>Notes:</u> JMMS continues to implement and regularly review its school safety plan. October's fire drill was successful. JMMS will continue throughout the school year to ensure students and staff are prepared to respond appropriately during emergencies. Bus routes have been consolidated to support transportation efficiency. The team discussed opportunities to strengthen student behavior expectations and accountability on school buses. A suggestion was made to explore opportunities for parent volunteers or additional adult support on buses, including the feasibility of stipends.
Family and Community Engagement (10 min)	• Multilanguage Learners (ML) Night during Quarter 2 <u>Notes:</u> JMMS successfully hosted its Open House and Curriculum Night, providing opportunities for families to connect with teachers, learn about instructional programs, and engage with our school community. Multilingual Family Night: JMMS will host an ML Family Night on November 4, 2026, to strengthen partnerships and provide resources for multilingual families. Funding to support upcoming family engagement initiatives has been approved.
