PALMETTO ELEMENTARY SCHOOL

SCHOOL-FAMILY COMPACT

GRADES K-5

2026-2027

REVISED APRIL 29, 2026

JOINT DEVELOPMENT OF OUR SCHOOL-FAMILY COMPACT

At Palmetto Elementary School **(PES)**, we believe students thrive when families and school staff work together. Our **School-Family Compact** is a shared agreement jointly developed by families, students, and staff. It explains how we will work as a team to help every student succeed. The compact outlines how we share responsibility for student learning, ensure students receive the individual support they need, and connect learning between school and home.

Each spring, families, staff, and community members are invited to meet to review and update the compact based on our students' evolving needs and our school's academic goals. School staff provide practical strategies families can use at home. Families offer feedback on the support they need to help their children learn. Students share what helps them learn. We welcome suggestions from families throughout the school year. Together, we will help students meet and exceed grade-level learning goals.

DISTRICT GOALS

- Increase the percentage of all students scoring proficient or distinguished on Reading Milestones
- Increase the percentage of all students scoring proficient or distinguished on Math Milestones

PES GOALS

- Increase iReady Reading scores by 3% for all students by May 2027
- Increase iReady Math scores by 3% for all students by May 2027

ACADEMIC FOCUS

K-2: Build fluency using real-world addition word problems
3-5: Build fluency using real-world addition and multiplication word problems

K-2: Phonics and decoding skills
3-5: Reading fluency and comprehending grade-level text

EAGLE STAFF WILL...

- Provide a Parent Resource Center with materials to help families support their student(s) with math fluency, reading fluency, phonics, and reading comprehension
- Provide a Family Word Problem of the Month in the Eagle's Nest monthly newsletter

EAGLE FAMILIES WILL...

- Visit the Parent Resource Center and use materials to support my student(s) with math fluency, reading fluency, phonics, and reading comprehension
- Support my student(s) in completing the Family Word Problem of the Month provided in the Eagle's Nest monthly newsletter

EAGLE STUDENTS WILL...

- Use materials from the Parent Resource Center to help me with math fluency, reading fluency, phonics, and reading comprehension
- Work with my family to complete the Family Word Problem of the Month provided in the Eagle's Nest monthly newsletter

COMMUNICATION AND PARTNERSHIP

We believe that open and consistent communication builds strong partnerships. We are committed to maintaining regular two-way communication to keep families informed and actively engaged in their child's education.

We use the following tools to communicate and partner with our families:

Class Dojo, Infinite Campus, school website, PES Twitter, Eagle's Nest newsletter, student agenda, Parent-Teacher conferences, progress reports and report cards, phone calls, and email. We encourage families to stay engaged by visiting the Parent Resource Center, participating in family workshops and school events, observing classrooms, and volunteering.

If you have any questions or concerns about your child's academic progress, please contact your child's teacher. Contact information for all staff can be found on our website at palmetto.fultonschools.org.
