GIRLS' TENNIS

By: Brinley Raymer & Addi Musi

The Girls' Tennis had 8 JV wins and 9 Varsity wins. They had a great season. Senior night was September 23. Coach Racioppio and Baker did a great job this season.

The coaches would like to thank the entire team for their hard work, dedication, and determination throughout the past few months. Your commitment to improving your skills and becoming better players has not gone unnoticed. A special thank-you goes out to our seniors! You will be missed, and we wish you the best in your future endeavors.

Looking ahead, the boys' season kicks off in March!

YAP By: Gianna Iorfido

Ten years ago, the Youth Ambassador Program (YAP) began in a small classroom with just five schools and 80 students. Today, the program has grown to include over 500 students! Recently, YAP students from Ambridge traveled to CCBC to join students from other schools across the county. The event brought students together to build leadership skills, encourage teamwork, and make positive connections with their peers.

The 2026 Ambridge Homecoming game was October 15th, and the dance was on the 17th. The game had an unexpected pull through with a 20-13 win and a loud and energetic student section cheering our team on. Before the game we honored our homecoming court; Zion Owens, Kesley Krokonko, Sydney Fabian, Elizabeth Speicher, Evan Antolic, Emily Pruszenski, Roman Campbell, Tayor Bentz, Daron Cox, Eleni Bratton, Gideon Harmon, Kendall Harper, JR Koster, Emily Wissner, our King, Lamaar Williams, and Queen, Faith Aguirre. The doors to the dance opened at 6pm and we had two hundred students in attendance! The lobby was set up nicely with nice spots for pictures and a photo both. The music was fun to sing and dance to, thanks to DJ Book. Our 2026 homecoming had an amazing turnout, with students dancing, playing games, and hanging out with friends!

SCARY PLACES TO VISIT FOR HALLOWEEN

By: Jessie Hernandez

The Conjuring House is a 14-room historic farmhouse built in 1736, located at 1677 Round Top Road in Harrisville, Rhode Island. It's currently up for sale, but once bought, it is supposed to be fixed up while also being open to the public. Back in October of 1973, Ed and Lorraine Warren talk to each individual family member and something happens to one of the Perron family members on the couch. While asking questions, he was lifted, levitated and thrown across the room into a wall. Even after that, the family was still dealing with hauntings. The history goes so far back that there is still more that has probably not been discovered, and more spirits that are unknown. It is told during Sam and Colby's hell week videos they had uncovered more information about the farmhouse. There is definitely still more history to still be uncovered, so if your not scared it's definitely worth the travel to uncover more. If you are not scared and want things to do - local events in PA like "Zombies of the Corn" , "Freddys Haunts" , and " Beastly Haunted Trail". These are located in Aliquippa and Freedom. If you don't want to travel far, then these are some things to do with family & friends for fun!

Ambridge High School to Host Annual Spooktacular Event

By: Evan Francis

Ambridge Area High School will host its annual Spooktacular event on Wednesday, October 28, from 5:30 to 7:30 p.m. The event will give elementary students and families an opportunity to celebrate Halloween through activities and games.

The Spooktacular event has traditionally included high school students helping create a fun Halloween experience by decorating hallways, wearing costumes, handing out candy, and organizing games. The event gives younger students a chance to enjoy Halloween activities in a safe, school setting.

High school students can also take part by helping with decorations and activities, making it an opportunity for students to give back to their school community.

The event will take place at Ambridge Area High School, located at 909 Duss Avenue in Ambridge. Families are encouraged to check the school district's official announcements for additional information about this year's activities.
