

## Government and Public Services Career Cluster

The Government and Public Administration career cluster is part of the Law and Public Service group in CTE and focuses on planning, managing, and providing legal services, public safety, protective services, and homeland security, along with professional and technical support. It prepares students for careers that involve examining, evaluating, and ensuring compliance with laws and regulations, as well as planning, governance, revenue and taxation analysis, and public communication

### Program of Study: *Air Force JROTC*

JROTC is a leadership and citizenship program that develops character, self-discipline, responsibility, and service through classroom instruction, leadership training, physical wellness activities, community service, and extracurricular opportunities. Participation in JROTC does not require military service but they can earn early promotions if they enlist after graduation.

### Secondary Courses for High School Credit

|                        |                                                                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| 9 <sup>th</sup> Grade  | <ul style="list-style-type: none"> <li>• ROTC 1 - Milestones in Aviation and Introduction to Leadership</li> </ul>                                |
| 10 <sup>th</sup> Grade | <ul style="list-style-type: none"> <li>• ROTC 2 - The Science of Flight, World Cultures, and Communication and Awareness in Leadership</li> </ul> |
| 11 <sup>th</sup> Grade | <ul style="list-style-type: none"> <li>• ROTC 3- Exploring Space and Leadership Life Skills and Career Opportunities</li> </ul>                   |
| 12 <sup>th</sup> Grade | <ul style="list-style-type: none"> <li>• ROTC 4 - Principles of Management</li> </ul>                                                             |
|                        | This program is offered at Central High School for all Keller ISD students.                                                                       |

#### Opportunities offered to JROTC students

In addition to participating in afterschool activities and community service projects, JROTC students are offered Curriculum in Action events like field trips to military bases and heritage sites, tours of aerospace industry and other manufacturing or transportation partners, team and/or confidence building courses, leadership camps, and military ceremonial functions.

#### Extra-Curricular Opportunities and Events

Along with attending courses throughout the week, cadets are expected to participate in extracurricular activities, teams, and community service projects. These events can include but are not limited to color guards, model rocketry, orienteering, awareness presentation teams, drill and ceremony competitions, drone and robotic building and operation, and leadership and airmanship programs.

### Example Postsecondary Opportunities

#### Bachelor Degrees:

- United States Service Academies (Air Force, Naval, Military, Coast Guard, or Merchant Marine)
- ROTC Scholarships through 4-Year Accredited and Participating Universities

#### Masters, Doctoral or Professional Degrees

- Paid Graduate School Opportunities in Professional Tracks (Law, Medicine, Engineering)
- Certified Professional Training (Pilot, Navigator, Space Operations)
