Hey KIDS and families!

NED's mindset MISSION

NED's Mindset Mission Assembly is visiting our school! NED and our students take a journey to find their positive mindset. The show is filled with storytelling, humor, illusions and amazing yo-yo tricks where our kids learn the hidden message in NED's name:

Never give up **E**ncourage others **D**o your best®

Parents... See a short PREVIEW of the show!

NED is coming to us for free. Another school paid for it.
A school before us ran a yo-yo sale and paid our assembly forward to us. Now it's our turn. **Every yo-yo purchased at our sale helps send NED to the next school.** A yo-yo is both a learning tool and a tangible reminder of NED's message — while learning to yo, children will make mistakes, try again and improve.

Learning Focus

During the month of October morning meetings will focus on the PurposeFull People Character Strong Trait of RESPONSIBILITY. Classroom counseling lessons will focus on PERSONAL SAFETY. Child Builders Curriculum focuses on Standing Strong to Stay Safe.

Pre-K through 1st grade Safety Rules are:

1. Know if it is safe.
2. Be Assertive
3. Tell a safe grown-up you trust.
4. Keep telling.
5. It's not your fault if someone hurts you.

2nd through 4th grade Safety Rules are:

1. I deserve respect.
2. I have the right to be safe.
3. I have the power to choose.
4. I will get help.
5. It's not my fault if someone harms me.

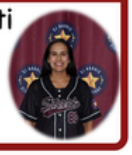

Be Strong: Responsibility

Responsibility is the first trait for BE STRONG. Being strong means asking for help, standing up for yourself or others, and making safe choices.

Responsibility Overview

This month we are talking about Responsibility. One way to define Responsibility is "taking action and understanding the impact of our choices." Taking action can mean doing the right thing or completing the tasks you have been assigned. Understanding the impact of our choices means that our actions matter. Positive and responsible actions can help people and irresponsible actions can hurt others.

Responsibility is 1 of 3 traits we will focus on throughout the year that helps students **Be Strong**.

Across grade levels students will be developing skills like focusing, organizing, and goal-setting.

Conversation Starters

- Can you share or show what it means to be Responsible?
- How can we help each other practice being more Responsible?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Responsibility. Here are 2 "PurposeFull Pursuits" you can complete together!

#1 As a family, think of ways in which you might make someone's life a little easier by helping a neighbor or family friend with 1 of their Responsibilities. Could you bring the garbage to the chute or out to the curb? Could you carry things in from the grocery store? Could you invite someone over for a meal or a show?

#2 *Review Responsibility as a family! Responsibility is taking action and understanding the impact of our choices.*
Choose 1 household chore (or more!) that requires multiple steps. Then have each member of the family select 1 step to complete to help get the job done! Maybe it's washing the dishes, doing laundry, cleaning the living room, or unloading the groceries – whatever it is, see who can be the quickest or most effective at their task!
