PHYS ED/HEALTH

PE and Health Professional Development Conference Day

8:00am-End of the day

Location: High School East Gym

Dress for activity

This interactive professional development day will engage Physical Education and Health teachers in an experiential “Adult Field Day” focused on instructional strategies, collaboration, and student engagement. From 8:00 a.m. to 12:00 p.m., staff will participate in sports, physical activities, and cooperative team-building challenges designed to model effective instructional practices. Each activity will incorporate opportunities to reflect on differentiation, inclusion, communication, problem-solving, safety, and strategies to maximize student participation.

From 1:00 p.m. to 3:12 p.m., teachers will collaborate by grade level or content area to reflect on the morning’s experiences, adapt activities to meet diverse student needs, develop lesson ideas, and identify practical strategies to implement within their PE and Health curricula. The day will emphasize translating experiential learning into meaningful classroom instruction that supports students’ physical, social, and emotional well-being.
