Advanced Placement / Pre-AP / College Credit

The Advanced Placement (AP) Program is a nationwide program of college-level course work and examinations for secondary students. Pre-AP courses are scaffolded in curriculum, instruction, and assessment to prepare for the AP examinations and coursework. Pre-AP and AP courses not only provide excellent academic preparation for college work, but also present an opportunity for students to earn college credit while still in high school. Students also have the opportunity to earn college credit through many local colleges and universities. Through our partnership with Mt. Hood Community College, Willamette Promise, and Eastern Oregon University students can earn college credit now. Students enrolled in Willamette Promise courses can earn college credit through Oregon Institute of Technology (Oregon Tech) and Western Oregon University. Students have the ability to earn a GBSD Scholars Diploma. We do not offer an IB Diploma, AICE Diploma, or AP Capstone Diploma.
