Additional Information

Registration for Snow Club is entirely on line. See instructions below.
Complete your registration/payment before November 7 to receive the best price.

Snow Club goes to Swiss Valley five times as a group. Most students purchase the "5-week club pass" valid for any day Monday-Thursday. We usually go on Tuesday. If you miss a club trip, you could use your club pass to go another day (Mon-Thur) on your own.

You have the option of buying a season pass at discounted prices. You would use that season pass for the five club trips and then go on your own whenever you like subject to the type of pass.

If you have your RFID card from last year, you can reload it and save the five-dollar mailing fee for a new card. If you have lost it, you will need to have a new card issued and sent to you. To re-load it, you need to have the card available when you register, choose "Reloads" and enter the number on the back.

Expense breakdown example for November 7 deadline.

SV 5 day Mon-Thur lift card- $124. SV mailing fee- $5. Bethany transport charge $30 = Total $159
SV 5 day Mon-Thur lift card- $124. SV rental- $50. SV mailing fee- $5. Bethany transport charge $30 = Total $209
December 1 deadline breakdown is similar but the Swiss Valley prices are $20 more expensive.

Anyone other than students grades 6-12 purchasing tickets through Snow Club will have similar costs less the Bethany transportation charge. They are responsible for their own transportation.
