Dear Parents,

This week, we learned all about sunflowers and how they grow. We read stories about sunflowers, and we painted our own beautiful sunflowers and added real sunflower seeds. They are making our room look very bright and cheerful. They look like real sunflowers!

We read a book about scarecrows. We easel painted scarecrows and we're going to draw faces on them to look like real scarecrows. We're going to hang them in our preschool hallway next week. They are looking spectacular!

On Thursday, we wore silly socks to school, and we made superhero masks just like the one that Ms. S wears. We had a super fun, superhero day!

Haunted House Decorating will be on Wednesday, October 28th. We are looking forward to seeing everyone at their scheduled time. Decorating our Halloween haunted houses is one of our favorite Pre-K activities!
