2025-2026 COMMUNITY REPORT

FROM OUR PASTOR

Dear Sacred Heart Parishioners,

We are in a time of change in so many ways, including here at Sacred Heart and the Partners in the Gospel transition. As you receive this annual report I want to bring you up to date on the evolution of our Parish Family with St. Monica – and let you know about a couple of initiatives I'm very excited about as evangelization opportunities.

First, this is scheduled to be the last year of the Partners in the Gospel process creating one Parish Family from Sacred Heart and St. Monica this time next year. For the past two years we have been thinking, praying, discussing with one another via listening sessions, surveys, etc. who we are, who we want to become, and how we hope to get there. Representatives from both parishes in the Parish Family Advisory Council (PFAC) and I are now meeting to determine new directions we want to explore so we grow deeper in holiness, knowledge and love of Jesus -- and how we should structure our worship, sacraments, staffs, resources to get there. Please pray for the PFAC and me on that journey.

But, while there is a lot on the horizon, this autumn we will already be introducing a new spiritual opportunity. I have signed up for our parishes to receive a great deal of spiritual content through the Hallow. This includes prayer challenges for Lent and Advent, podcasts, audiobooks, music, Catholic speakers, etc. Someone from Hallow will be out here in mid-September to speak to the entire parish about how best to use the resource. Stay tuned and take part. Those who have explored and used Hallow have found it a great way to grow in Christ.

The other initiative I want to bring to your attention is something I have mentioned at mass. I have lined up our Parish Family to host a pair of lay FOCUS missionaries. These are young men and women who have already served on university campuses as missionaries for students and now want to take their experience to parishes. They will be serving not just young adults, but everyone. I hope they will be here next summer. The idea is that these missionaries will live in our community for at least three years and help me by forming and guiding small faith groups and Bible Studies and other projects. For the next three years I have committed the first $55,000 of our ACA surplus to this purpose (we have already successfully done that this year).

Change can bring anxieties, but I also see great opportunities for growth in all these areas. As we have all heard somewhere, God is good, all the time. He doesn't stop blessing us and I'm sure that will be true this year, as well.

With peace and gratitude,
Fr. Kurt Nagel
Pastor, Sacred Heart Parish

FROM OUR PRINCIPAL

Dear Sacred Heart Community,

In a culture where there is always something new and the "news cycle" seems to spin faster all the time, it's good for the soul to stop, from time to time, and reflect. Our Church, our country, and our school all have deep roots that continue to bring forth new life. It's important for us to take the time to look back and reflect on our history. We do this not to be nostalgic for some "better time" long ago, but to remind ourselves of who we are and who we want to be.

The 2026–2027 school year is our 75th year as a school. Although this is not nearly as long as the life of the United States, let alone the Catholic Church, it is a long time in the life of a school. We have students here whose grandparents attended Sacred Heart School, and I would not be surprised to hear soon that we have great-grandchildren of some of our original students.

While we have been preparing for our accreditation visit this coming October, we have had many opportunities for self-reflection on our curriculum, instruction, programs, procedures, and facilities. This is important. We want our accreditation process not to be a once-every-six-years event, but an ongoing cycle of review and improvement so that we are always providing the best possible education, moral formation, and religious inspiration for our students, their families, and our staff.

But even more fundamental than "what we do" is "who we are." Almost 75 years ago, Fr. Gerald Moore, a group of Sisters of St. Joseph of Newark, and hundreds of parishioners made our school possible through the generous gifts of their prayers, financial resources, talents, and a part of their lives. Countless benefactors, parents, parishioners, teachers, school and parish staff, and students have continued to make Sacred Heart School possible since that beginning in 1952. Everyone made these sacrifices not just in the hope that we would have a great curriculum, winning CYO sports teams, or top-notch facilities (while all of those things are true and greatly appreciated). They made their sacrifices with the hope that, 75 years later, we would be a welcoming school community still focused on faith and academic excellence in service to our parish and the surrounding community. That is our mission. And the question that should guide us this year, and every year, is, "Are we living up to this mission, and how can we be better?"

In gratitude,

David Burroughs

The Partners in Gospel

Our Parish Journey

For the past two years, Sacred Heart and St. Monica have embarked on a hopeful journey of prayer, reflection, and community engagement. By listening to parishioners through surveys, listening sessions, and open conversations, we are building a stronger, more vibrant parish family. Together, we are discovering our identity, deepening our faith, and discerning the path God invites us to walk as a united community.

The Parish Family Advisory Council (PFAC), comprised of parishioners from both parishes, serves as Fr. Nagel's main advisory group. Through open dialogue and collaboration, the PFAC is ensuring every voice is valued and included in shaping our One Parish Plan. This spirit of unity and shared purpose will guide us as we become one canonical parish, nurture a sense of belonging, and develop strong local leadership within the wider Church.

Our plan—shaped by input from both communities—began by asking, Who are we? We celebrated our shared history, gifts, and ministries, recognizing both our strengths and opportunities for growth. Then we asked, Who do we want to become? We envisioned a parish family that is welcoming, faith-filled, and responsive to the Holy Spirit's call.

We are now in the phase: How do we get there? Here, we are identifying the resources and new initiatives that will help us realize our community's vision. By building on our strengths, embracing fresh opportunities, and supporting one another, we are laying the foundation for a thriving, faith-centered parish family. Our commitment is to set clear goals and take bold initiatives, confident that, together, we can achieve great things.

We began—and continue—this journey in prayer, always seeking the Holy Spirit's guidance. Your faith, input, and support are invaluable as we move forward together. As we shape our parish's future, we encourage everyone to stay engaged, share your hopes, and join us in prayer. Together, we can create a vibrant and united parish family where all are welcome and every gift is celebrated.

Parish Sacraments

The Sacraments mark profound milestones in our spiritual journey, offering us opportunities to experience God's grace in deeply meaningful ways. Sacred Heart honors these sacred rites within the embrace of our wider faith community, nurturing stronger relationships with God and one another. Congratulations to all who have received the Holy Spirit through the sacraments! We extend a heartfelt invitation to individuals, families, and friends to remain connected with us throughout the year.

Our Gratitude

Dear Sacred Heart Community,

As we reflect on the 2025–2026 school year, we are filled with gratitude for the extraordinary generosity and spirit of the Sacred Heart community. Our theme, "To the Heights," challenged us to strive for excellence, grow in faith, and lift one another higher. Through your gifts of time, talent, and treasure, you helped us do just that.

Together, we reached new heights. The incredible success of our Fill the Heart Day of Giving, Auction Gala, Jogathon, Sponsorship Program, and many other efforts allowed us to exceed our fundraising goals and strengthen the people, programs, and opportunities that make Sacred Heart so special.

To our families, sponsors, volunteers, parishioners, alumni, grandparents, and friends: thank you. Your generosity helps provide an education rooted in faith, service, and academic excellence, and its impact will be felt well beyond this school year.

As we look ahead to Sacred Heart's 75th Anniversary, we do so with tremendous gratitude for all who have brought us to this milestone and excitement for what we will accomplish together in the years ahead.

With heartfelt gratitude,

Corey Raney & Claire Smith

Classical Education in Rome through the University of Dallas– Teacher Development:

Over the summer, several teachers from Sacred Heart and St. Monica ventured to Rome for the experience of a lifetime. From traveling through the ancient ruins of the Roman Forum, to the powerful iconography of archaic churches, there was no shortage of beauty at every turn. Each teacher was moved by their professors and the various classes they took from the University of Dallas, especially the Foundations of Classical Education and Dante courses. The knowledge, goodness, truth, and beauty will be brought back to each of their classrooms. Some major highlights of the trip include: the stunning campus, visiting the Vatican and Vatican Museum, the Roman Forum, Pantheon, Coliseum, St. Clemente Basilica, attending mass in breathtaking spaces, incredible art, great company, Italian cuisine, visiting the town of Orvieto, and the one that takes the cake: seeing Pope Leo in the streets of his summer residence at Castel Gondolfo. Each teacher had a life-changing journey and is extremely grateful for this once-in-a-lifetime opportunity.

Auction Gala 2026

Midnight in Paris

For one evening, our community traded the Pacific Northwest for the streets of Paris. Under the direction of co-chairs Heather Lorge and Karissa Marker, Midnight in Paris welcomed more than 400 guests and raised a record **$1,044,850** for Sacred Heart School. More than 40 volunteers gave freely of their time across the year to plan, procure, decorate, organize and execute, to make this evening the success it was. The night was everything we hoped it would be: elegant, joyful, and overflowing with generosity for the school and students we love.

Thanks to your generosity, we raised an outstanding $454,000 for our 2026 Fund-A-Need focusing on campus upgrades. Your gifts are already at work: new lockers for our middle school students, giving them a place of their own as they take on more independence, and a gaga ball pit in the upper lot that has quickly become one of the most popular spots on campus. These are just the beginning, with more classroom improvements coming throughout the school year. To everyone who attended, donated, bid, volunteered, or simply cheered us on: merci beaucoup!

Our Auction Gala not only supports important projects across the school, it also strengthens the bonds of this community. We are grateful to every family who played a part, and we look forward to gathering again next year.

Jogathon 2026

Run for the Heart!

Each spring, Sacred Heart students lace up their sneakers and rally together for our only student-led fundraiser of the year, the Jogathon. Focused on community spirit and school pride, students take the lead, reaching out to family and friends to raise funds that directly support our school.

This year, our goal was $75,000, and thanks to the incredible energy and generosity of our extended SHS community, we soared past it, raising **over $81,000!** On the big day, students brought their enthusiasm and Spartan spirit to the track as they Ran for the Heart in support of SHS.

We are especially grateful to our Jogathon Chairs, Christine DePue and Adriana Serrano, whose time, energy, and leadership helped make this year's Jogathon such a success. Thank you for bringing our community together for an incredible day in support of Sacred Heart!

SACRED HEART SCHOOL

Grandparents' & Special Friends' Day

In May 2026, we were delighted to welcome more than 330 grandparents and special friends to campus for our beloved Grandparents' and Special Friends' Day. This cherished tradition gives guests a special glimpse into the daily life of our students, featuring poems and songs from our Pre-K and Kindergarten classes, along with a special musical performance from our winter Playmaker production, Mary Poppins.

We are especially grateful to Kelsey Frause, who has chaired Grandparents' and Special Friends' Day for five consecutive years. Her dedication and care have helped make this event one of SHS's most memorable traditions.

A heartfelt thank you to all the grandparents and special friends who make this day so special. **We look forward to welcoming you back on Friday, May 7, 2027!**

PARENT'S CLUB EVENTS

One of the things that makes Sacred Heart School truly special is the strong sense of community that extends beyond the classroom. Thanks to the dedication and creativity of our Parent's Club, our families come together throughout the year for some of the most memorable and beloved events at SHS.

From enjoying popcorn and candy under the stars at our ***Drive-In Movie Night***, to decorating trunks and dressing up for ***Trunk or Treat,*** to the joy and fun of our ***Bingo Night***, these gatherings create lasting memories and strengthen the bonds within our school community.

We are deeply grateful to the Parent's Club for making these moments possible and for nurturing the spirit of togetherness that defines SHS.

A Heartfelt Thank You
TO OUR VOLUNTEERS

Sacred Heart School thrives because of the time, energy, and love our families pour into our community. Whether it's lending a hand on the playground during recess duty, offering comfort in the health room, helping in the lunchroom to open milk cartons and clean up spills, chaperoning field trips and retreats, or serving in countless other ways, your willingness to help enriches the lives of our students every day. Your presence builds a spirit of connection, generosity, and joy that makes our school more than just a place of learning—it makes it a family. We are deeply grateful for the gift of your time and the example of service you model for our children.

Faith and Service

At Sacred Heart School, faith and service are at the heart of everything we do. From our Shoe Liturgy to our Passion Play, these special traditions are just a glimpse of the many ways our mission of Faith and Service are incorporated into our student's daily life at SHS.

Academic Highlights

At Sacred Heart School, learning extends well beyond the classroom. This year, our students embraced opportunities to grow, thrive, and showcase their talents through a variety of enriching academic experiences. From the excitement of school plays and the rigor of Academic Decathlon to the critical thinking showcased through the Algebra I Oral Defense Project and Congressional Hearings, and the hands-on learning of 5th grade science camp, each experience reflected the depth and spirit of an SHS education. These highlights are just a glimpse of the many ways our students are challenged, inspired, and prepared to lead with knowledge, creativity, and faith.

PLAYMAKERS

Playmakers' winter production of Mary Poppins JR flew into Kirkland Performance Center in March thanks to our amazing volunteers! The show's run featured two casts of actors, two dozen student tech crew working behind the scenes, over fifty 2nd and 3rd grade Junior Players, and two penguin walk-ons courtesy of the Gala Auction.

The third and fourth graders took the lead in The Princess and the Frog with help from student assistant directors Alex and Mei. This cheerleading-infused production is their chance to hone their skills in the more intimate Moore Theater space. So many students wanted to participate that we ran two casts!

In June, Sacred Heart inducted eight new members into International Thespian Society Troupe 12052. This honor program celebrates scholar-thespians and students can participate in both middle and high school.

5TH GRADE CAMP

This spring, our fifth-grade students embarked on a three-day outdoor education experience at Camp Colman, where learning extended far beyond the classroom walls. Throughout their stay, students participated in hands-on environmental education experiences that brought science to life. They explored tides and ecosystems on the beach, investigated the delicate balance of nature through the "Circle of Life" activity, and even had the opportunity to dissect squids as part of their marine science studies.

Camp also provided opportunities for personal growth and teamwork through low ropes challenges, group problem-solving activities, and shared cabin experiences. Evening campfires, a night hike, and time spent with classmates helped strengthen friendships and build lasting memories.

Our fifth graders returned with new experiences, lasting memories, and a deeper connection to their classmates and the natural world.

ACADEMIC DECATHLON

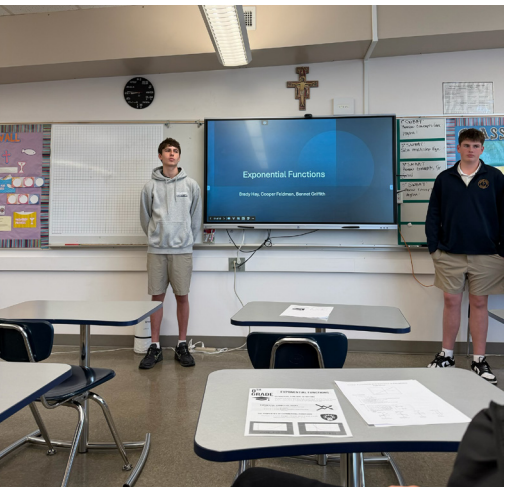

After months of hard work and teamwork, our Sacred Heart Summit Scholars earned an outstanding 3rd-place overall finish, excelling in the group logic test, eight individual subject tests, and the Super Quiz.

We also celebrate the outstanding individual achievements of Wallace Bobeck (1st, Math), Beckham Gourdie (3rd, Math), Caelia Song (3rd, Fine Arts), and John Hynes (2nd, Science). Adding to an incredible season, Wallace qualified for the National Academic Decathlon Math Competition, where he placed 7th overall in the nation.

Congratulations to all 20 of our Academic Decathletes for their dedication, perseverance, and exceptional accomplishments!

ORAL DEFENSE

The Algebra 1 Oral Defense is a signature assessment that reflects Sacred Heart School's commitment to deep learning and real-world application of mathematics. As part of their final assessment, eight-grade Algebra 1 students work in teams to become experts on a major Algebra 1 concept, create a presentation and audience handout, and explain how the mathematics applies to real-world situations. Students present to peers, parents, teachers, and administrators before participating in an unscripted oral defense, answering questions and defending their understanding. This year, 14 Algebra 1 students demonstrated mathematical mastery, critical thinking, collaboration, and public speaking skills through this challenging and rewarding experience.

CONGRESSIONAL HEARINGS

Each year, 8th graders participate in Congressional Hearings as their social studies capstone. Hearings are a simulated congressional hearing in which students "testify" before a panel of legal and civics experts. Students demonstrate their knowledge and understanding of Constitutional principles and have opportunities to evaluate, take, and defend positions on relevant historical and contemporary issues. This year's judges included SHS parents Brian Vowinkel and Taylor Johnson alongside other community leaders.
