INDEPENDENT AUDITORS' REPORT

Board of Education
Macon County R-I School District
702 North Missouri
Macon, Missouri 63552

Opinions

We have audited accompanying modified cash basis financial statements of the governmental activities and each major fund of the Macon County R-I School District, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Macon County R-I School District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities and each major fund of the Macon County R-I School District, as of June30, 2022, and the respective changes in modified cash basis financial position, and thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Macon County R-I School District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Disclaimer of Opinion on Supplementary Information

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Macon County R-I School District's basic financial statements. The supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The budgetary comparison information and retirement reports on pages 18-21 and 26-29, respectively, have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

* Exercise professional judgment and maintain professional skepticism throughout the audit.

* Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

* Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Macon County R-I School District's internal control. Accordingly, no such opinion is expressed.

* Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.

* Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Macon County R-I School District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Macon County R-I School District's basic financial statements. The accompanying supplementary information and schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,* are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2022 on our consideration of the Macon County R-I School District's internal control over financial reporting and on our tests of its compliance with certain provisions of the laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Macon County R-I School District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Macon County R-I School District's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Macon County R-I School District was established in 1865 under the Statutes of the State of Missouri. The District operates as a "six director" district (with seven members of the Board of Education as described in RSMo Chapter 162.)

The financial statements of Macon County R-I School District have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. The Governmental Accounting Standards Board is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the District's accounting policies are described below.

*The financial statements include:

** Financial statements prepared using modified-cash basis for government-wide financial statements and for the fund financial statements for all of the District's activities.

* Change in the fund financial statements to focus on the major funds.

These and other changes are reflected in the accompanying financial statements (including notes to financial statements).

A. Reporting Entity

In evaluating how to define the District, for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit in the reporting entity was made by applying criteria set forth in GAAP. The basic, but not the only, criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations and accountability for fiscal matters. The other criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the District is able to exercise oversight responsibilities. Based upon the application of these criteria, no additional component units should be included in the reporting entity.

B. Basis of Presentation - Fund Accounting

The District's financial statements include both government-wide (reporting the District as a whole) and fund financial statements (reporting the District's major funds). Both the government-wide and fund financial statements categorize primary activities as either governmental or business type. The District's General, Special Revenue, Debt Service and Capital Projects funds are classified as governmental activities.

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Basis of Presentation - Fund Accounting (Continued)

In the government-wide Statement of Net Position, the governmental activities columns (a) are presented on a consolidated basis by column (b) and are reported on a modified cash basis of accounting, which recognizes all long-term assets as well as long-term debt and obligations. The District's net position is reported in three parts-invested in capital assets, net of related debt; restricted net position; and unrestricted net position.

The government-wide Statement of Activities reports both the gross and net cost of each of the District's functions. The functions are also supported by general government revenues (property, sales and use taxes, certain intergovernmental revenues, fines, permits and charges, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, operation and capital grants. Program revenues must be directly associated with the function (food services, instruction, etc.). Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

The net costs (by function) are normally covered by general revenue (property, sales, intergovernmental revenues, interest income, etc.).

The District does not allocate indirect costs.

This government-wide focus is more on the sustainability of the District as an entity and the change in the District's net position resulting from the current year's activities.

Financial Statements - Fund Financial Statements

The financial transactions of the District are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, reserves, net position, revenue collected and expenditures paid, arising from cash transactions.

The following governmental fund types are used by the District:

General (Incidental) Fund: Accounts for general activities of the District, including student activities, food service, and textbooks, which are not required to be accounted for in another fund.

Special Revenue (Teachers') Fund: Accounts for expenditures for certified employees involved in administration and instruction. It includes revenues restricted by the State and the local tax levy for the payment of teacher salaries and certain employee benefits.

Capital Projects (Building) Fund: Accounts for the proceeds of long-term debt, taxes and other revenues restricted for acquisition or construction of major capital assets.

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus and basis of accounting. The District's policy is to prepare its government-wide financial statements on the modified cash basis of accounting which recognizes all long-term assets and long term-term debt obligations. The District's policy is to prepare its fund financial statements on the modified cash basis of accounting; consequently, revenues are recognized when received rather than when earned, and expenditures and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred.

E. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

F. Capital Assets

Capital assets purchased or acquired are reported at historical cost or estimated historical cost. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	40 years
Equipment	7 years
Improvements	20 years

G. Compensated Absences

Vacation time, personal business days, and sick leave are considered as expenditures in the year paid. Amounts unused and which are vested in the employee are payable upon termination. Total vested and unpaid sick leave at June 30, 2022, amounted to $228,450.

H. Teachers' Salaries

Payroll checks, written and dated in June 2022 for July 2022 payroll, in the amount of $945,839, from 2021-2022 contracts were released in June and are included in the financial statements as an expenditure paid in the month of June. This practice has been consistently followed in previous years.

I. Post Employment Benefits

COBRA Benefits: Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District provides healthcare benefits to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium plus a 2% administration charge, which the District has elected to waive, is paid in full by the insured on or before the tenth (10th) day of the month for the actual month covered. This program is offered for a duration of 18 months after the termination date. There is no associated cost to the District under this program, and there were no participants in the program as of June 30, 2022.

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

J. Inventories

The District does not maintain inventory cost records. Inventory is deemed to be immaterial and accounted for using the purchase method in which supplies are charged to expenditures when purchased.

K. Public School Retirement System of Missouri

Financial reporting information pertaining to our participation in the Public School Retirement System of Missouri ("PSRS") and the Public Education Employee Retirement System of Missouri ("PEERS") is prepared in accordance with Governmental Accounting Standards Board ("GASB") Statement No. 68, *Accounting and Financial Reporting for Pensions,* as amended by GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date.*

The fiduciary net position, as well as additions to and deductions from the fiduciary net positions, of PSRS and PEERS have been determined on the same basis as they are reported by PSRS and PEERS. The financial statements were prepared using the modified cash basis of accounting. Members and employer contrubitions are recognized when paid, pursuant to formal commitments and statutory requirements. Expenses are recognized when the payment is made.

L. Restricted Assets

Restricted assets of the District consist of checking, certificates of deposit and investments which have been set aside based on 1) certain debt covenants, 2) taxing authority guidelines and 3) state statutory compliance. Debt covenants provide for the redemption of debt in future years and to service outstanding debt. Taxing authority guidelines provide for the taxes collected to be disbursed in accordance with the terms that the patrons of the District approved when they voted. State statutory compliance restricts transfers from the Special Revenue Fund, the Debt Service Fund and the Capital Projects Fund. It is the District's policy to first use restricted net position prior to the use of unrestricted net position when expenses are incurred for purpose for which both restricted and unrestricted net position are available.

M. Budget and Budgetary Accounting

The District follows these procedures in establishing the budgetary data reflected in the financial statement

1) In accordance with Chapter 67, RSMo, the District adopts a budget for each fund of the political subdivision.

2) Prior to July, the superintendent, who serves as the budget officer, submits the Board of Education a proposed budget for the fiscal year beginning on the following July 1. The proposed budget includes estimated revenues and proposed expenditures for all District funds. Budgeted expenditures cannot exceed beginning available monies plus estimated revenues for the year.

3) A public hearing is conducted to obtain taxpayer comments. Prior to its approval by the Board of Education, the budget document is available for public inspection.

4) Prior to July 1, the budget is legally enacted by a vote of the Board of Education.

5) Subsequent to its formal approval of the budget, the Board of Education has the authority to make necessary adjustments to the budget by formal vote of the board. Adjustments made during the year are reflected in the budget information included in the financial statements.

Budgeted amounts are as originally adopted or as amended by the Board of Education. Individual amendments were not material in relation to the original appropriations which were amended. Unused appropriations lapse at the end of each fiscal year.

The final budget amendment was made at the June 2022 board meeting.

6) Budgets for District funds are prepared and adopted on the cash basis (budget basis), recognizing revenues when collected and expenditures when paid.

2 DEPOSITS

Custodial Credit Risk - Missouri State Statutes authorize the Board of Education, with certain restrictions, to deposit funds in open accounts, time deposits and certificates of deposits. Statutes also require that collateral pledged have a fair market value equal to 100% of the funds on deposit, less insured amounts. Collateral securities must be held by the District or a disinterested third party and must be of the kind prescribed by State Statutes and approved by the State. At June 30, 2022, the carrying amount of deposits was $4,790,286 and the bank balance was $6,047,270. All of the bank balances were covered by federal depository insurance or by collateral held by the pledging financial institution's trust department or agent in the District's name.

Bond covenants authorize the District to invest in direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by the United States, or in other obligations in which public funds are permitted to be invested under Missouri law.

Interest Rate Risk - The District has no formal investment policy regarding interest rate risk.

Credit Risk - The District has no investment policy that limits in investment choice other than the limitation of state law as follows:

a. District obligations of the U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.

b. Certificates of deposit or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.

Concentration of Investment Credit Risk - The District places no limit on the amount it may invest in any one issuer. At June 30, 2022, the District had no concentration of credit risk.

A reconciliation of cash as shown on the Balance Sheet was as follows:

	Carrying Amount
Cash on hand	$ -
Carrying amount of deposits	4,790,286
Total	$ 4,790,286
Cash	$ 3,717,357
Cash - restricted	1,072,929
Total	$ 4,790,286

3 TAXES

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on November 1 and payable by December 31. The county collects the property tax and remits it to the District.

The District also receives sales tax collected by the State and remitted based on eligible pupils. The District is required to reduce its property tax levy by one-half the amount of sales tax estimated to be received in the subsequent calendar year. The district has a full waiver of this requirement that was approved by the voters in April 2004.

The assessed valuation of the tangible taxable property (excluding state assessed railroad and utilities) for the calendar year 2021 for purposes of local taxation were:

Residential	$ 60,064,010
Agriculture	5,090,430
Commercial	22,097,240
Personal Property:	40,441,238
Total	$ 127,692,918

The tax levy per $100 of the assessed valuation of tangible taxable property for the calendar year 2021 for purposes of local taxation was:

	Unadjusted	Adjusted
General Fund	$ 3.0000	$ 3.0000
Special Revenue Fund	-	-
Capital Project Fund	0.4523	0.4523
Total	$ 3.4523	$ 3.4523

The receipts of current and delinquent property taxes during the fiscal year ended June 30, 2022 aggregated approximately 95.82 percent of the current assessment computed on the basis of the levy as shown above.

4 CAPITAL LEASES

During the previous seven fiscal years, the District entered into cancelable ten, fifteen-year and eight year leases as lessee to finance the purchase of building improvements, which cost $2,290,000, $1,355,000, $370,000, $4,250,000 and $399,960. Although the agreements provide for cancellation of the lease at the District's option at the renewal date of June 1 each year, the District does not foresee exercising its options to cancel. Therefore, these leases are accounted for as noncancelable capital leases in accordance with Statement of Financial Accounting Standards No. 13, "Accounting for Leases". The new leases provide for interest at 0.6-3.0 and 3.75 percent.

The following is a schedule of the future minimum lease payments under the leases (assuming noncancellation):

Year ending June 30	Principal	Interest	Total
2023	$ 330,000	$ 205,522	$ 535,522
2024	530,000	195,485	725,485
2025	540,000	179,448	719,448
2026	555,000	162,972	717,972
2027	525,000	146,048	671,048
2028-2032	2,940,000	460,620	3,400,620
2033	680,000	25,260	705,260
Total	$ 6,100,000	$1,375,355	$ 7,475,355

Interest paid for the fiscal year ended June 30, 2022 was $221,810.

5 INTERFUND TRANSFERS

During the year ended June 30, 2022, the district transferred $3,064,927 from the General Fund to the Special Revenue Fund for teachers' salaries.

6 GASB STATEMENT NO. 54 - FUND BALANCE (NET POSITION) REPORTING

The objective of this Statement is to enhance the usefulness of net position information by providing clearer fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. This Statement establishes net position classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds.

The initial distinction that is made in reporting net position information is identifying amounts that are considered *nonspendable*, such as fund balance associated with scholarships.

The *restricted* net position category includes amounts that can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation such as taxes levied by a vote of the public.

Unassigned net position is the residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications. In other funds, the unassigned classification should be used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted.

7 CONTINGENCIES

Grant Audit - The District receives Federal grants and State funding for specific purposes that are subject to review and audit. These reviews and audits could lead to requests for reimbursement or to withholding of future funding for expenditures disallowed under or other noncompliance with the terms of the grants and funding. The District is not aware of any noncompliance with Federal or State provisions that might require the District to provide reimbursement.

9 RISK MANAGEMENT

The District is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District has transferred its risk by obtaining coverage from commercial insurance companies. In addition, it has effectively managed risk through various employee education and prevention programs. There has been no significant reduction in insurance coverage from the previous year.

10 PENSION PLANS

Public School Retirement System of Missouri and Public Education Employee Retirement System of Missouri

Summary of Significant Accounting Policies

The District participates in the Public School Retirement System and the Public Education Employee Retirement System (PSRS and PEERS, also referred to as the Systems). The financial statements of the District were prepared using the modified cash basis of accounting. Therefore, member and employer contributions are recognized when paid and the District's net pension liability, deferred outflows and inflows of resources related to pensions are not recorded in these financial statements.

Plan Description PSRS is a mandatory cost-sharing multiple employer retirement system for all full-time certificated employees and certain part-time certificated employees of all public school districts in Missouri (except the school districts of St. Louis and Kansas City) and all public community colleges. PSRS also includes certificated employees of the systems, Missouri State Teachers' Association, Missouri State High School Activities Association, and certain employees of the State of Missouri who elected to remain covered by PSRS under legislation enacted in 1986, 1987 and 1989. The majority of PSRS members are exempt from Social Security contributions. In some instances, positions may be determined not to be exempt from Social Security contributions. Any PSRS member who is required to contribute to Social Security comes under the requirements of Section 169.070 (9) RSMo, known as the "two-thirds statute." PSRS members required to contribute to Social Security are required to contribute two-thirds of the approved PSRS contribution rate and their employer is required to match the contribution. The members' benefits are further calculated at two-thirds the normal benefit amount.

Plan Description PEERS is a mandatory cost-sharing multiple employer retirement system for all non-certified public school district employees (except the school districts of St. Louis and Kansas City), employees of the Missouri Association of School Administrators, and community college employees (except the Community College of St. Louis). Employees of covered districts who work 20 or more hours per week on a regular basis and who are not contributing members of the PSRS must contribute to PEERS. Employees of the Systems who do not hold Missouri educator certificates also contribute to PEERS. PEERS was established as a trust fund by an Act of the Missouri General Assembly effective October 13, 1965. Statutes governing the System are found in Sections 169.600-169.715 and Sections 169.560-169.595 RSMo. The statues place responsibility for operation of PEERS on the Board of Trustees of PSRS.

Benefits Provided PSRS is a defined benefit plan providing retirement, disability, and death/survivor benefits. Members are vested for service retirement benefits after accruing five years of service. Individuals who (a) are at least age 60 and have a minimum of five years of service, (b) have 30 years of service, or (c) qualify for benefits under the "Rule of 80" (service and age total at least 80) are entitled to a monthly benefit for life, which is calculated using a 2.5% benefit factor. Beginning July 1, 2001, and ending July 1, 2014, a 2.55% benefit factor was used to calculate benefits for members who have 31 or more years of service. Actuarially age-reduced benefits are available for members with five to 24.9 years of service at age 55. Members who are younger than age 55 and who do not qualify under the "Rule of 80" but have between 25 and 29.9 years of service may retire with a lesser benefit factor. Members that are three years beyond normal retirement can elect to have their lifetime monthly benefits actuarially reduced in exchange for the right to also receive a one-time partial lump sum (PLSO) payment at retirement equal to 12, 24, or 36 times the Single Life benefit amount.

Benefits Provided PEERS is a defined benefit plan providing retirement, disability and death benefits to its members. Members are vested for service retirement benefits after accruing five years of service. Individuals who (a) are at least age 60 and have a minimum of five years of service, (b) have 30 years of service, or (c) qualify for benefits under the "Rule of 80" (service and age total at least 80) are entitled to a monthly benefit for life, which is calculated using a 1.61% benefit factor. Members qualifying for "Rule of 80" or "30-and-out" are entitled to an additional temporary benefit until reaching minimum Social Security age (currently age 62), which is calculated using a 0.8% benefit factor. Actuarially age-reduced retirement benefits are available with five to 24.9 years of service at age 55. Members who are younger than age 55 and who do not qualify under the "Rule of 80" but have between 25 and 29.9 years of service may retire with a lesser benefit factor. Members that are three years beyond normal retirement can elect to have their lifelong monthly benefits actuarially reduced in exchange for the right to also receive a one-time partial lump sum (PLSO) payment at retirement equal to 12, 24, or 36 times the Single Life benefit amount.

10 PENSION PLANS (Continued)

Cost-of-Living Adjustments ("COLA"). The Board of Trustees has established a policy of providing COLAs to both PSRS and PEERS members as follows:

-If the June to June change in the Consumer Price Index for All Urban Consumers (CPI-U) is less than 2% for one or more consecutive one-year periods, a cost-of-living increase of 2% will be granted when the cumulative increase is equal to or greater than 2% at which point the cumulative increase in the CPI-U will be reset to zero. For the following year, the starting CPI-U will be based on the June value immediately preceeding the January 1 at which the 2% cost-of-living increase is granted.

-If the June to June change in the CPI-U is greater than or equal to 2%, but less than 5%, a cost-of-living increase of 2% will be granted.

-If the June to June change in the CPI-U is greater than or equal to 5%, a cost-of-living increase of 5% will be granted.

-If the CPI decreases, no COLA is provided.

For any PSRS member retiring on or after July 1, 2001, such adjustments commence on the second January after commencement of benefits and occur annually thereafter. For PEERS members, such adjustments commence on the fourth January after commencement of benefits and occur annually thereafter. The total of such increases may not exceed 80% of the original benefit for any member.

Contributions. PSRS members were required to contribute 14.5% of their annual covered salary during fiscal years 2020, 2021, and 2022. Employers were required to match the contributions made by the employees. The contribution rate is set each year by the PSRS Board of Trustees upon the recommendation of the independent actuary within the contribution restrictions set in Section 169.030 RSMo. The annual statutory increase in the total contribution rate may not exceed 1% of pay.

Contributions. PEERS members were required to contribute 6.86% of their annual covered salary during fiscal years 2020, 2021, and 2022. Employers were required to match the contributions made by employees. The contribution rate is set each year by the PSRS Board of Trustees upon the recommendation of the independent actuary within the contribution restrictions set in Section 169.030 RSMo. The annual statutory increase in the total contribution rate may not exceed 0.5% of pay.

The District's contributions to PSRS and PEERS were $980,789 and $142,477, respectively, for the year ended June 30, 2022.

Summary Plan descriptions detailing the provisions of the plans as well as additional information regarding the District's net pension liability and deferred inflows and outflows of resources can be found on the Systems' website at www.psrs-peers.org.

1 SUMMARY OF SIGNIFICANT BUDGETARY ACCOUNTING POLICIES

Budgets and Budgetary Accounting

The District follows these procedures in establishing the budgetary data reflected in the financial statements:

1) In accordance with Chapter 67, RSMo, the District adopts a budget for each fund of the political subdivision.

2) Prior to July, the superintendent, who serves as the budget officer, submits to the Board of Education a proposed budget for the fiscal year beginning on the following July 1. The proposed budget includes estimated revenues and proposed expenditures for all District funds. Budgeted expenditures cannot exceed beginning available monies plus estimated revenues for the year.

3) A public hearing is conducted to obtain taxpayer comments. Prior to its approval by the Board of Education, the budget document is available for public inspection.

4) Prior to July 1, a tentative budget is legally enacted by a vote of the Board of Education. Prior to September 1, a final budget is approved.

5) Subsequent to its formal approval of the budget, the Board of Education has the authority to make necessary adjustments to the budget by formal vote of the board. Adjustments made during the year are reflected in the budget information included in the financial statements.

Budgeted amounts are as originally adopted or as amended by the Board of Education. Individual amendments were not material in relation to the original appropriations which were amended. Unused appropriations lapse at the end of each fiscal year.

6) Budgets for District funds are prepared and adopted on the cash basis (budget basis), recognizing revenues when collected and expenditures when paid.

INDEPENDENT AUDITORS' REPORT

Board of Education
Macon County R-I School District
702 North Missouri
Macon, Missouri 63552

We have audited the financial statements of the Macon County R-I School District as of and for the year ended June 30, 2022 and have issued our report thereon dated December 9, 2022. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was made for the purpose of forming an opinion on the financial statements of the Macon County R-I School District, taken as a whole. The accompanying Schedules of Transportation Costs Eligible for State Aid and State Financial Assistance are presented for purposes of additional analysis and are not a required part of the financial statements. The information in those schedules has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, are fairly presented in all material respects in relation to the financial statements taken as a whole.

INDEPENDENT AUDITORS' REPORT ON MANAGEMENT'S ASSERTIONS ABOUT COMPLIANCE WITH SPECIFIED REQUIREMENTS OF MISSOURI LAWS AND REGULATIONS

Board of Education
Macon County R-I School District
702 North Missouri
Macon, Missouri 63552

We have examined management of Macon County R-I School District's assertions that Macon County R-I School District complied with the requirements of Missouri laws and regulations regarding budgetary and disbursement procedures; accurate disclosure by the District's attendance records of attendance, resident membership on the last Wednesday of September and the free and reduced lunch count on the last Wednesday of January; and accurate disclosure by the District's pupil transportation records of the average daily transportation of pupils eligible and ineligible for state aid, the number of miles eligible and ineligible for state aid and the allowable costs for pupil transportation during the year ended June 30, 2022. Macon County R-I School District's management is responsible for its assertion. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, management's assertion that Macon County R-I School District complied with the aforementioned requirements for the year ended June 30, 2022 is fairly stated, in all material respects.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Education
Macon County R-I School District
Macon, Missouri 63552

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Macon County R-I School District, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise Macon County R-I School District's basic financial statements and have issued our report thereon dated December 9, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Macon County R-I School District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Macon County R-I School District's internal control. Accordingly, we do not express an opinion on the effectiveness of Macon County R-I School District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significiant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2202-1 that we consider to be significant deficiencies.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Macon County R-I School District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

Macon County R- I School District's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Macon County R-I School District's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Macon County R-I School District's response was not subject to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing on internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE

Board of Education
Macon County R-I School District
Macon, Missouri 63552

Report on Compliance for Each Major Federal Program

Opinion On Each Major Federal Program

We have audited Macon County R-I School District's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Macon County R-I School District's major federal programs for the year ended June 30, 2022. Macon County R-I School District's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Macon County R-I School District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30,2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 US Code of Federal Regulations Part 200 Uniform Administrative Requirements, Cost Principles, and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles,* and *Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Macon County R-I School District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Macon R-I School District's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Macon County R-I School District's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Macon County R-I School District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards,* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from

fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Macon County R-I School District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards,* and the Uniform Guidance, we:

* Exercise professional judgement and maintain professional skepticism throughout the audit.

* Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Macon County R-I School District's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

* Obtain an understanding of Macon County R-I School District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Macon County R-I School District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged by governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance Given these limitation, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Questioned Program	Finding/Noncompliance

Summary of audit results:

1) We have issued a unmodified opinion on the financial statements of the Macon County R-I School District. The government-wide financial statements and the fund financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

2) One significant deficiency was disclosed during the audit of the financial statements and is reported in the Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards. No material weaknesses are reported.

3) The audit did not disclose any instances of noncompliance which is material to financial statements of the Macon County R-I School District, which would be required to be reported in accordance with Government Auditing Standards.

4) No significant deficiencies or material weaknesses in internal control over major federal programs were reported.

5) The auditor's report on compliance for the major federal award programs for Macon County R-I School District expresses an unmodified opinion on all major federal programs.

6) There are no audit findings that are required to be reported in accordance with 2 CFR section 200.516(a) in this Schedule.

7) The district's programs tested as major programs were as follows:

a) Education Stabilization Fund (CFDA # 84.425)
b) Child Nutrition Cluster (CFDA #10.555,10.553)

8) The district did have one Type A program at June 30, 2022. All other programs were Type B programs. The threshold used to distinguish Type A programs from Type B programs was $750,000.

9) The district was not qualified as a low-risk auditee at June 30, 2022.

Findings - Financial Statement Audit

2022-1 Significant Deficiency : Lack of Segregation of Duties

Condition: Due to the limited number of available personnel, it is not always possible to adequately segregate certain incompatible duties.

Criteria: Internal controls should be designed so that no one person has access to both physical assets and related accounting records or all phases of a transaction.

Questioned Program	Finding/Noncompliance
2022-1 (Cont)	Cause: The district does not have enough available personnel to adequately segregate certain incompatible duties Effect: Due to the limited number of personnel, the possibility exists that unintentional or intentional errors or irregularities could exist and not be promptly detected. Recommendation: The district should consider adding additional personnel as soon as district finances allow, to provide additional segregation of duties. Views of Responsible officials: The size and budget of the Macon County R-I School District limit the application of adequate segregation of duties.
