Ringgold Elementary School South

Weekly Update

10-16-26

Mr. Berry-Principal

Principal's Message:

Last week, R-E-S-S was all about fire and river safety! Our students welcomed both members of our local fire companies, as well representatives of the Coast Guard, who shared with our students valuable information regarding safe practices, how to identify helpers during fire and river incidents, and the types of materials that help in both emergency situations! In addition, our students were able to try on flotation devices, and interact with several types of fire safety vehicles. To show our appreciation, we held a quarters-focused fundraiser, with our classes raising over four hundred dollars, used to purchase over one hundred cases of water for our local firefighters! We want to express our sincerest thanks to all the volunteers who came out to help our students understand the importance of both fire and river safety.

As we move closer to our Fall Activity Day, we ask that anyone who would like to volunteer please reach out to our PTA, who is currently scheduling individuals for the numerous activities throughout the day. Also, we ask that costumes worn on this day do not include masks, fake weapons, or gorey elements. As always, we appreciate your continued support and collaboration.

Sincerely,

R-E-S-S Administration and Staff

Kindergarten

Kindergarten participated in Fire Prevention week. Carroll Township Fire Department visited us to discuss fire safety. They even showed us their equipment and fire trucks!

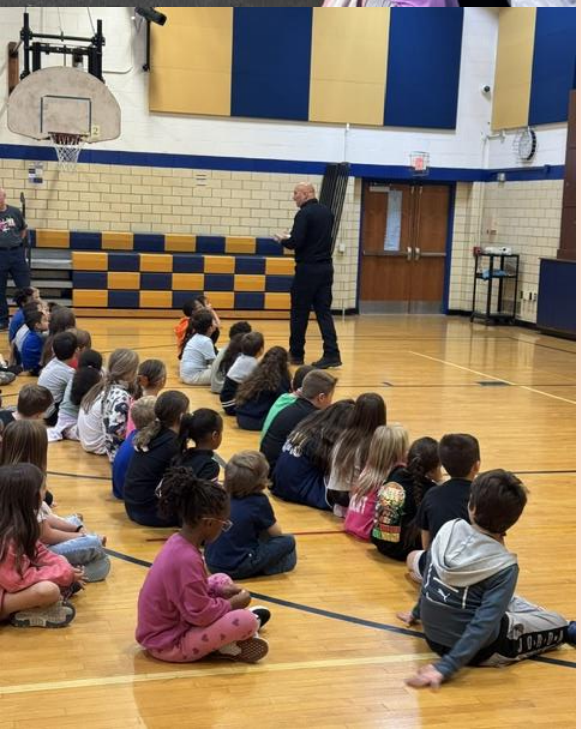

First Grade

Our first graders are growing academically through learning centers during Ram Time! Students engage in word work activities, read to self, partner read, and work on differentiated skills at the teacher table.

Second Grade

Second Grade had a fun afternoon learning about fire and river safety. We even got to see a fire truck! Thank you to our local firemen for teaching us these things.

Third Grade

🚒 🔥 Third grade learned all about **fire safety!** Our students enjoyed listening to presentations from our special visitors and getting an up-close look at a real firetruck! We are so thankful to our local firefighters for taking the time to teach our students important lessons about staying safe. ❤️‍🩹 🧯

Fourth Grade

After a morning packed with spelling tests, double-digit multiplication, and writing prompts, nothing beats the grand reward of school lunch! For hardworking 4th graders, stepping into the cafeteria is the tastiest break from all that brainpower. It's the perfect chance to chat with friends and recharge for the rest of the day!

Itinerant Teachers

It is all about pumpkins in Art class.

In PE, students are practicing their rolling, tossing, and throwing skills.

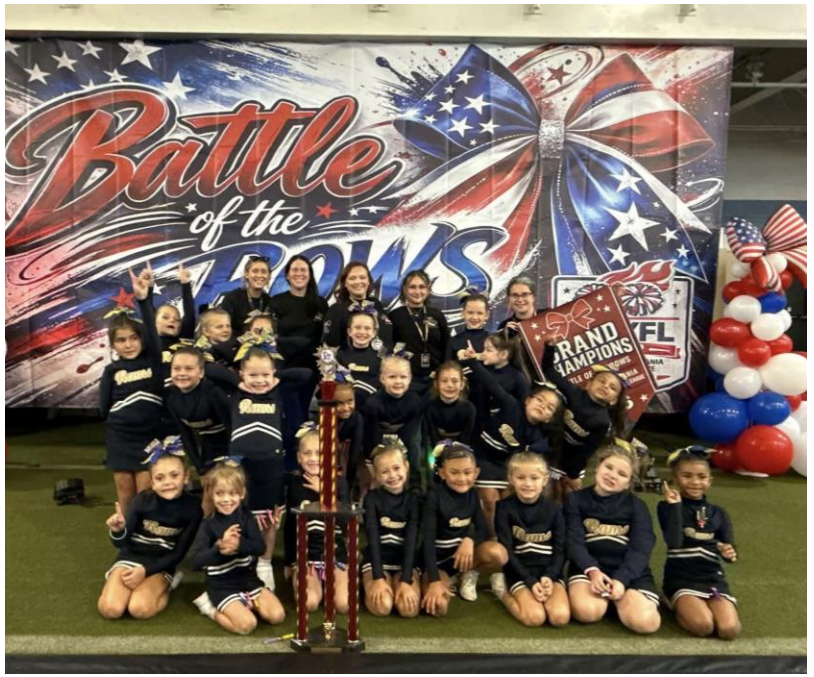

Congratulations
