STRATEGIC PLAN TIMELINE

APRIL 10

School Board reaches consensus to develop a new strategic plan by working with TeamWorks

APRIL 28 - MAY 7

Strengths and Needs survey available to learners, families, and staff

APRIL 29 - MAY 7

8 Desired Daily Experience focus groups held

Participation:

- 73 learners
- 24 parents/caregivers
- 58 staff members

Participants in each session described their desired daily experiences related to their role in school, highlighting *two things:*

1. What IS working now

2. Experiences they would like to have

MAY 13 - AUGUST 5

During these meetings, participants reviewed and incorporated survey/focus group data; considered the experiences of learners, families, and staff across the district; and drafted projects and initiatives for the continuous improvement plan.

Participation from all schools, district administrators, and Community Education
