Definitions

"Bid" any confirmed purchase offer received by PARITY on or before the proposal submission deadline.

"Bidder" any firm registered and approved for participation in sale.

"Winning Bid" any purchase offer made by a Bidder and received by PARITY that, at the end of the bidding time period, results in the lowest NIC that is acceptable to the Board of Education.

"Net Interest Cost" computed by adding to the total principal amount of Bonds bid for, the total interest cost to maturity in accordance with such bid and by deduction therefrom of the amount of premium, if any, bid or the addition thereto of the amount of discount, if any, bid. The Net Interest Cost serves as the basis for awarding the Bonds to Winning Bidder.

Bid Procedure and Basis of Award

Subject to the right reserved by the Board of Education to reject any or all Bids, the Bonds will be sold to the Bidder whose Bid produces the lowest NIC for the Board of Education and otherwise complies with the Notice of Sale. If two (2) bids are submitted in the auction by the same or two or more different bidders and result in the same NIC, the first confirmed bid received by PARITY prevails. Any change to a submitted bid constitutes a new bid, regardless of whether there is a corresponding change in NIC.

Bids must remain valid until at least 3:00 p.m., prevailing time, on the date of the sale and, if accepted by the Board of Education prior to such time, shall be irrevocable except as otherwise provided in the Notice of Sale. Upon selection of the Winning Bidder, the Board of Education will execute an award certificate to award the Bonds and will promptly communicate with the Winning Bidder by telephone, e-mail or fax.

Bid Security and Method of Payment for Bonds

A Good Faith Deposit ("Deposit") in the form of a certified, treasurer's or cashier's check or a wire transfer in the amount of $3,167,880 payable to the order of the Board of Education by no later than 10:30 a.m. on the Bid Date is required for each Bid to be considered. Wire instructions can be obtained by contacting the Board of Education's Municipal Advisor, Robbi Acampora of Phoenix Advisors, a division of First Security Municipal Advisors, Inc., at (609) 291-0130 or racampora@muniadvisors.com, and such wire must be received and confirmed by the Board of Education prior to the time for bids to be submitted. If a check is used, it must be a certified, treasurer's or cashier's check and must be provided to the Board of Education no later than by 10:30 a.m. on the Bid Date. Each Bidder accepts responsibility for delivering such check or wire transfer on time, and the Board of Education is not responsible for any check or wire transfer that is not received on time. The Deposit will be applied to the purchase price of the Bonds. In the event the Winning Bidder fails to honor its accepted bid, the Deposit will be retained by the Board of Education. Award of the Bonds to the Winning Bidder or rejection of all Bids is expected to be made within two hours after opening of the

Bids, but such Winning Bidder may not withdraw its proposal until after 3:00 p.m. of the day of receipt of such Bids and then only if such award has not been made prior to the withdrawal. The balance of the purchase price shall be paid in Federal Funds by wire transfer to the Board of Education on the Delivery Date.

Right to Reject Bids; Waive Irregularities

The Board of Education reserves the right to reject any and all Bids and to the extent permitted by law to waive any irregularity or informality in any Bid.

Information Required from the Winning Bidder

By making a bid for the Bonds, the Winning Bidder agrees: (a) to provide to the Board of Education, in writing, immediately upon being unofficially awarded the Bonds, a written confirmation of the bid, which shall include the purchase price, reoffering yield(s), and other related information necessary for completion of the Final Official Statement or by Bond Counsel; (b) to disseminate to all members of the underwriting syndicate copies of the Official Statement; (c) to promptly file a copy of the Final Official Statement with each nationally recognized Municipal Securities Information Repository; and (d) to take any and all other actions necessary to comply with applicable Securities and Exchange Commission and Municipal Securities Rulemaking Board rules governing the offering, sale and delivery of the Bonds to alternate purchasers.

Establishment of Issue Price for the Bonds

In the event the Board of Education receives at least three (3) bids for the Bonds, then the Issue Price for the Bonds shall be established based on the reasonably expected initial offering prices of the Bonds as of the Sale Date (the "Expected Offering Prices"). The Expected Offering Prices shall consist of the prices for each maturity of the Bonds used by the winning bidder in formulating its bid to purchase the Bonds. The winning bidder shall be required to deliver on the Delivery Date a certificate to such effect, and provide to the Board of Education, in writing, the Expected Offering Prices as of the Sale Date.

In the event the Board of Education receives fewer than three (3) bids for the Bonds, then the Issue Price for the Bonds shall be established based on the following method as selected by the winning bidder on the Sale Date:

10% Sold: The Issue Price for the Bonds shall be established based on the first price at which at least 10% of each maturity of the Bonds was sold to the Public (as defined below). The winning bidder shall be required to deliver on the Delivery Date a certificate to such effect, and provide to the Board of Education, in writing, evidence satisfactory to Bond Counsel to the Board of Education of such sales prices for each maturity of the Bonds. In the event that the winning bidder has not sold at least 10% of each maturity of the Bonds to the Public as of the Delivery Date (each, an "Unsold Maturity"), the winning bidder shall (i) provide to the Board of Education, in writing, on the Delivery Date, the Expected Offering Prices for each Unsold Maturity and a certificate regarding same and (ii) have a continuing obligation to provide to the Board of Education, in writing, evidence satisfactory to Bond Counsel to the Board of Education of the first price at which at least 10% of each Unsold Maturity is sold to the Public, contemporaneous with each such sale, until at least 10% of all such Unsold Maturities have been sold to the Public.

Hold The Price: The Issue Price for the Bonds shall be established based on the initial offering price of the Bonds to the Public as of the Sale Date, provided that the winning bidder shall, in writing, (i) confirm that the Underwriters have offered or will offer the Bonds to the public on or before the Sale Date at the offering price or prices set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the Underwriters participating in the purchase of the Bonds, that the Underwriters will neither offer nor sell the Bonds to any

person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of: (1) the close of the fifth (5th) business day after the sale date; or (2) the date on which the Underwriters have sold at least 10% of the Bonds to the Public at a price that is no higher than the initial offering price to the Public.

Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter (as defined herein) or a related party to an Underwriter. The term "related party" generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly. Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

Delivery of the Bonds

The Bonds will be delivered on or about December 3, 2026 (UNLESS A NOTICE OF A CHANGE IN THE DELIVERY DATE IS PUBLISHED NOT LATER THAN 2 HOURS PRIOR TO ANY ANNOUNCED DATE FOR RECEIPT OF BIDS) in Brooklyn, New York at DTC against payment of the purchase price therefor (less the amount of the good faith deposit) in federal funds.

CUSIP Numbers

The Municipal Advisor will apply for CUSIP numbers with respect to the Bonds, but the Board of Education will assume no obligation for the assignment or printing of such numbers on the Bonds or for the correctness of such numbers, and neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchasers thereof to accept delivery of and make payment for the Bonds. The CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the Winning Bidder.

Legal Opinion

The approving opinion of Bond Counsel will be furnished without cost to the Winning Bidder.

The Board of Education reserves the right to postpone, upon not less than 24 hours' notice, the date and time established for receipt of Bids. **ANY SUCH POSTPONEMENT WILL BE PUBLISHED OR POSTED BEFORE 11:00 A.M.
