District Records Commission, Records Retention and Disposal

All records are the property of the District and are not removed, destroyed, mutilated, transferred or otherwise damaged or disposed of, in whole or in part, except as provided by law or under the rules adopted by the District Records Commission. Such records shall be delivered by outgoing officials and employees to their successors and shall not be otherwise removed, transferred or destroyed unlawfully.

"Records" include any document, device or item, regardless of physical form or characteristic, including an electronic record (as defined in Ohio Revised Code Section (RC) 1306.01), created or received by or coming under the jurisdiction of the District that serves to document the organization, functions, policies, decisions, procedures, operations or other activities of the District. "Records" does not include personal notes or any document, device, or item, regardless of physical form or whether an assistive device or application was used, of a public official, or of the official's attorney, employee, or agent, that is used, maintained, and accessed solely by the individual who creates it or causes its creation.

District Records Commission

The District Records Commission revises and reviews schedules of records retention (RC-2 forms), reviews applications for one-time disposal of obsolete records (RC-1 forms), and reviews certificates of disposal (RC-3 forms) submitted by any employee of the District.

The Commission is composed of the Board President, the Treasurer and the Superintendent or their designees, and meets at least once every 12 months. The Commission will post advance notice of the time and place of all regularly scheduled meetings and the time, place and purpose of all special meetings on the District's website. For special meetings, notice of the time, place and purpose is also given at least 24 hours in advance of the meeting to all news media and individuals who have requested such notice.

Any person may receive advance personal notice of all meetings at which a specific type of public business is to be discussed by the Commission. Such requests shall be directed to the Treasurer. Requests for notification by email shall include the requestor's email address. Requests for notification by mail shall include a supply of stamped, self-addressed envelopes provided by the requestor. Individuals requesting advance personal notice are responsible for providing the Treasurer with any updates to contact information.

The minutes of the meetings of the Commission are promptly prepared, filed and maintained by the Treasurer and are open to public inspection.

Records Retention Schedule

The District Records Commission revises and reviews a schedule of records retention. When the Commission has approved a schedule of records retention, the schedule is sent to the Ohio History Connection (OHC) for review. OHC will review the schedule within a period of 60 days. During this time, OHC may select for its custody any records it considers to be of continuing historical value. OHC will denote upon any schedule of records retention the records for which they will require a certificate of records disposal prior to their disposal. After OHC has completed its review, OHC will forward the applications and/or schedules to the Auditor of State for their approval or disapproval. The Auditor of State must approve or disapprove the application and/or schedule within 60 days.

The Commission may at any time review any records retention schedule it has previously approved and may revise that schedule in accordance with State law.

Disposal of Records

Before public records are disposed of pursuant to an approved records retention schedule, the Commission verifies whether OHC requires a certificate of records disposal (RC-3 form) prior to disposal. If OHC has requested to review the records, the District will complete a certificate of records disposal and give OHC the opportunity for a period of 15 days to select for its custody such public records as it considers to be of continuing historical value. OHC may not review or select for its custody the records set forth in RC 149.381(E). If OHC has not requested to review the records, or if OHC has not responded within the statutory review period, the District disposes of the public records pursuant to its approved records retention schedule.

If the District discovers records that have never been properly scheduled on an RC-2 and are no longer created or were only created once and they no longer have any administrative, fiscal, legal, or historical value, the District will submit an application for the one-time disposal of these obsolete records (RC-1 form) to OHC for review. OHC will review the application within a period of 60 days. During this time, OHC may select for its custody any records it considers to be of continuing historical value. After OHC has completed its review, it will forward the application to the Auditor of State for their approval or disapproval. The Auditor of State must approve or disapprove the application within 60 days.
