Afternoon Fun Station - After School Program

2027-2028 School Year

Inspiration Station operates at Saint Theresa School from 3:10 pm to 5:30 pm, Monday through Friday, based on the school year calendar. The Afternoon Fun Station is available for Kindergarten through 5th-grade students during these hours.

Our full-time rates are based on a full week of care (Monday through Friday) and already include considerations for school closures due to breaks and holidays. Please note that there are no discounts for absences, family vacations during the school week, or snow days when the center is unexpectedly closed.

A non-refundable registration fee of $30 per child is required, and enrollment is a commitment for the entire school year.

Availability is limited, and priority will be given to returning families. If interested in part time enrollment please note we cannot guarantee that as an option at this time.

<u>Afternoon Fun Station</u>

After School (3:10-5:30pm)

$345 a month for 9 months (September-May) per child

Please email Emily and Jennifer at inspirationstationsts@gmail.com with any questions.
