Programs for Native American Children

It is the intent of the District that all Native American children of school age have equal access to all programs, services, and activities offered in the District.

It is also the intent of the District to fully comply with the requirements of Title VIII (Impact Aid Program) of the Elementary and Secondary Education Act and regulations relating thereto. To that end, the District shall:

1. Provide tribal officials and parents of Native American children an opportunity to comment on the participation of Native American children on an equal basis in all programs and activities offered by the District;

2. Annually assess the extent to which Native American students are participating on an equal basis in the educational programs and activities of the District;

3. If and when necessary, modify its educational programs to ensure that Native American children participate on an equal basis with other children served by the District;

4. Disseminate annually all relevant applications, evaluations, program plans, and information related to the District's education programs in sufficient time to allow the tribal members and parents of Native American children an opportunity to review the materials and make recommendations on the needs of the Native American children and how the District may help those children realize the benefits of the District's education programs and activities;

5. Solicit information from tribal officials and parents of Native American children on Native American views, including information on the frequency, location, and time of meetings;

6. Notify tribal officials and parents of Native American children of the locations and times of meetings;

7. Consult and involve tribal officials and parents of Native American children in the planning and development of the District's educational programs and activities;

8. Modify its Native American policies and procedures, if and when necessary, based upon the results of the "Assessments" referenced below.

Assessments

Tribal officials and parents of Native American children are encouraged to assess the effectiveness of their input regarding the participation of Native American children in the District's educational programs and activities and the development and implementation of the District's Native American policies and procedures and share the results of such assessment with the District.

Records

For all Native American students served by the District, The District shall maintain adequate records to demonstrate the District's compliance with applicable federal law regarding funds received pursuant to Title VIII (20 USC § 7703).
