December 2026

- For college students as they finish classes and prepare for final exams beginning December 11. Ask for peace, focus, and strength during this stressful season.
- For the faculty as they finish up all their teaching with the students. Also, pray for them because once all the assignments and exams are complete everything needs to be marked.
- For students exams, wrapping up on Dec. 14, for safe travels, joyful reunions with loved ones, and a restful Christmas celebrating the birth of our King.
- Praise the Lord for our prayer partners and ask for His blessing on their faithful service in lifting Briercrest in prayer.
- For Academic Services as they wrap up the fall semester and prepare for the winter semester.

- For in the busyness of this Christmas Season that will be very mindful of the Lord and that we all would include Him in all our plans.

- Pray for faculty and staff as they travel and spend time with family and friends over the Christmas season. May they find rest, stay healthy and safe, and take time to reflect on the gift of Jesus Christ in their lives.
- Pray for students returning to Briercrest for the winter semester, for safe travels and peace as they leave loved ones. Pray that new students settle in well, find community, and adjust to classes and dorm life.

Wishing you a Happy New Year!
