Navigate Financial Aid with Confidence

Apply for the 2027-2028 School Year

Financial aid can come with a lot of questions, whether you're applying for the first time or returning for another year. This webinar will help you understand the process, prepare for what's ahead, and feel more confident every step of the way.

✓ In this webinar, we'll cover:

- ✓ Understanding PK-12 financial aid
- ✓ Tips for planning your household budget
- ✓ Planning for the financial aid process
- ✓ Submitting your application (across financial aid platforms)
- ✓ Common questions, helpful tips, and live Q & A

We're Partners in this Journey

Our goal is to feel ensure every family feels supported and informed.
