TERMS AND CONDITIONS

Preamble and Definitions

These Terms and Conditions govern the contract for the provision of the Pascal International Summer Camp by Pascal Education (Cyprus) Ltd (the "Company"). In these Terms: "Participant" means the student attending the programme; "Parent/Guardian" means the person signing the application on behalf of the participant in his/her capacity as parent or guardian of the aforesaid Participant; "Third-Party Provider" means any independent contractor engaged by the Company to provide activities, transport, catering or other services of whatsoever nature.

Booking

1. *Parties and Contract Formation*

All bookings are made with Pascal Education (Cyprus) Ltd (the Company). The booking becomes binding between the parties only when the Company receives: (a) the signed application form, (b) the signed Terms and Conditions, and (c) payment of the first instalment as required in clause Payment and Cancellation below. Even if a booking is made through an agent, the contract concluded will ultimately be made between the Company and the Parent/Guardian. A PDF signed copy of the application form is equivalent to a handwritten one.

2. *Governing Law and exclusive jurisdiction*

This contract is governed by and construed in accordance with the laws of the Republic of Cyprus. Nothing in these Terms shall limit, nor is it intended to limit, any non-waivable legislative rights of consumers under Cyprus or European Union law. The District Court of Lefkosia of the Republic of Cyprus has exclusive jurisdiction to adjudicate any claim arising from or connected to or related in any way with this Contract, whether such claim is founded in Contract, Tort or any other cause of action. If exclusive jurisdiction is held unenforceable for any legal reason, the Company will accept the competent consumer forum under Cyprus rules and, if inapplicable, EU rules.

3. *Authority to Sign and Acceptance of Terms*

The Parent/Guardian signing the application form warrants that he/she (a) has the authority to enter into this contract on behalf/for the benefit of the Participant and (b) that he/she has the consent of any other parent or guardian whose consent is required for the participation of the Participant in the Summer Camp.

4. *Travelling Documents, Visa and Valid Entry*

Parents/Guardians must ensure that the Participant possesses a valid passport/identity card, visa (if applicable), and any required health certificates or any other permits necessary for entry and stay in the Republic of Cyprus. The Company shall not be liable for any costs, losses, or inability to attend the Camp resulting from a Participant's failure to secure valid travel documentation or valid entry permit in the Republic of Cyprus. Inability to attend due to travel restrictions does not give rise to an automatic right of refund and clause 8.2 below will apply.

Payment and Cancellation

5. *Payment Schedule*

Payment of 20% of the total fees is required to confirm the Applicant's participation. The remaining 80% is due 14 days prior to the commencement of the programme. All payments must be made by wire transfer and must clearly state the Participant's/Group's name and invoice number. Banking costs are borne by the payer.

6. *Late Payment*

If the balance is not received by the due date, the Company reserves the right to cancel the booking and retain any amounts already paid as a reasonable pre-estimate of costs and losses, as per clauses 6, 7 and 8.

7. *Guarantee of performance*

The payment of the 20% of the total fees referred to in clause 5 above shall act as a guarantee of performance on the part of the Participant and is subject to retention, as per clauses 6, 7 and 8.

8. *Cancellation* by Participant

8.1. Should the participant cancel 15 days or more before the programme start date, any amounts paid will be refunded.

8.2. No refund will be made for cancellations 14 days or less prior to the programme start date. It is understood that cancellation at such late stage makes it very difficult for the Company to fill the empty slots with other Participants and that economic hardship will be suffered by the Company who has estimated its costing and pricing on the basis of the expected number of participants and staffing and booking costs.

8.3. The Company may, at its absolute discretion and without any obligation, accept the use of a Participant's booking by another person (who has not already applied) or to allow the Participant to use his/her booking fee

for an alternative programme of the Company on a different date, subject to availability and payment of any price difference and a €30 administration fee.

9. *Cancellation by the Company*

9.1. The Company reserves the right to cancel the Pascal International Summer Camp.

9.2. In the event of cancellation by the Company for any reason beyond its control, the Company will offer, at the Participant's option, either: (a) a full refund of all amounts paid, or (b) an available alternative programme of the Company of equal price. If an alternative programme is not of exact equal price, the Company or the Participant will make up the price difference or pay a refund as the case may be.

9.3. In the event of cancellation by the Company for reasons within its control and provided that such cancellation occurs 14 days or less before the start of the programme, the Company will offer the Parent/Guardian, in addition to the remedies stated in paragraph 9.2 above, a cancellation compensation equal to 5% of the programme price. This clause does not apply to instances covered by clauses 23 and/or 27 below.

9.4. In the event of cancellation by the Company for reasons within its control and provided that such cancellation occurs 15 days or more before the start of the programme, the Company will offer the Parent/Guardian the remedies stated in paragraph 9.2 above.

Modification of Programme

10. The Company reserves the right to make non-material changes to the itinerary, activities, or excursions where such changes are necessary due to weather conditions, availability of third-party venues, or safety considerations. The Company shall ensure that any substitute activity is of an equivalent or similar standard and no refund shall be due for such minor variations.
11. Where an activity is cancelled by the Company for reasons not due to Force Majeure and is unable to provide an alternative activity of equal or effectively similar value, a refund will be provided for that activity.

Refunds

12. Refunds will be processed within a reasonable time after cancellation (and in any event within 10 working days) and, if possible, in the same currency as the original transfer.

Force Majeure

13. The Company shall not be liable for failure or delay in performing its obligations where such failure or delay is due to events beyond its reasonable control (including extreme weather, strikes, government restrictions, acts of God, civil unrest, riots, civil war, armed conflict, terrorist attack, or official safety warnings). In such circumstances the Company will use reasonable endeavours to notify affected participants and to mitigate the effects, and refunds will be made only for amounts actually received by the Company less unavoidable costs (such as non-refundable venue deposits, third-party cancellation fees etc. - a cost breakdown can be provided on request).
14. Where Force Majeure applies, the company will not be required to pay the compensation referred to in 9.3 above.

Safety and Supervision

15. The Company will ensure that activities provided directly by the Company are supervised by suitably qualified staff and that safety instructions are provided to Participants. The Company will require, where reasonably practicable, that third-party activity providers hold appropriate licences, qualifications and insurance.

Third-Party Service Providers

16. The Company engages independent contractors and Third-Party Providers (transport, excursions, catering, activity operators etc.). Such providers are independent legal entities and are not employees of the Company. The Company will exercise reasonable care in the selection and supervision of Third-Party Providers.

Insurance Requirement

17. Parents/Guardians are strongly advised to obtain and maintain travel, medical, and personal accident insurance covering the participant for the duration of the programme. The Company maintains Personal Accident and Public Liability insurance policies. The Public Liability insurance policy is intended to cover its liability in the course of its operations, but such insurance only provides cover for loss or injury proved to be due to Company fault or negligence. Parents/Guardians must cover the cost or compensation for any accident not caused by the Company's fault or negligence (and not covered by the Personal Accident insurance policy) either by taking out their own insurance or through their own means.

Limitation of Liability and Claims

18. Company Liability

Nothing in these Terms shall exclude or limit the Company's liability for death or personal injury resulting from the Company's proven negligence or willful misconduct, or for any other liability which cannot be excluded by Cyprus or European Union law.

19. Liability for Third Parties

To the extent permitted by applicable law, the Company shall not be liable for the acts or omissions of independent third-party providers where the Company has exercised reasonable care in their selection (including licensing requirements and insurance cover). Where a claim arises from the acts or omissions of a Third-Party Provider, the Participant and or Parent/Guardian may pursue remedies directly against that provider. The Company will, upon request, provide contact details of the relevant provider and reasonable assistance in pursuing such claims.

20. Limitation of Damages

Except for liability which cannot be excluded by law (including death or personal injury caused by the Company's proven negligence), and without prejudice to clause 9.3 above, the Company's aggregate liability for any claim arising out of or in connection with the Summer Camp and its programme, whether in contract, tort (including negligence) or otherwise, shall be limited to the total fees actually paid to the Company by the Participant/Parent/Guardian for the specific programme or activity giving rise to the claim.

21. Claims Procedure

All claims must be notified to the Company in writing as soon as reasonably practicable and, in any event, within a reasonable time after the event giving rise to the claim. The Company will investigate and respond within a reasonable period. This clause is not intended to limit or affect the rights of any claimant to bring proceedings under Cyprus law.

Medical Consent

22. By signing this contract, Parents/Guardians consent to the participant receiving emergency, necessary, or unforeseen medical treatment. Parents/Guardians are responsible for informing the Company of any medical conditions, allergies or special dietary requirements at the time of application.

Behavioural Matters

23. The Participant agrees to comply with all behavioural expectations communicated by the Company, including respect for staff, other Participants, property and safety rules. The Company reserves the right to dismiss immediately any Participant whose conduct is deemed by the Camp Manager to be disruptive, dangerous, or in breach of camp rules. The Participant will have the right to appeal his/her expulsion to a member of the Board of Directors of the Company within 24 hours.

Search of Belongings

24. For the safety and well-being of all participants, the Company reserves the right to search a Participant's room and/or personal belongings where there is reasonable suspicion of possession of prohibited items (including but not limited to alcohol, tobacco, or illegal substances/items). Such search will be conducted by two members of staff of the same gender as the Participant, with due respect for the Participant's privacy and dignity. A record will be made of the search and the Parent/Guardian will be notified of the search and its result immediately (by email if the Parent/Guardian cannot be reached by other means).

25. Other than on the grounds specified in clause 24 above, Participant's Rooms and belongings will not be searched as a matter of course nor precaution. It is the responsibility of the Parent/Guardian to ensure that the Participant understands the need to abide by the laws of the Republic of Cyprus and not to engage in any illegal activity.

Check-Out

26. Participants are required to check out and vacate the premises at the designated time. The Company reserves the right to charge a late check-out fee as per the pricelist to cover additional staffing and supervision costs. Such fees must be settled prior to the Participant's departure from the premises of the summer camp.

Cyber-bullying & Social Media

27. It is strictly forbidden for Participants to engage in any cyber-bullying or use social media to harass other participants. They must also not post defamatory content regarding the Company, its staff, or other students on social media platforms. Breach of this term may result in immediate dismissal from the programme without any compensation or refund.

Zero-Tolerance Safety Breach

28. Any breach of safety instructions, including refusal to wear required protective equipment or failure to follow staff directions during activities, may result in suspension or termination of participation in such activity without refund.

Lost Property

29. The Company is not responsible for loss of personal belongings unless caused by the Company's proven negligence. Unclaimed items may be disposed of after 30 days.

Third-Party Digital Platforms

30. Where the Company facilitates communication or learning – as in the case of IELTS lessons or other preparation – (e.g. via third-party digital platforms such as Teams, WhatsApp groups or educational software), the Company shall not be liable for any technical failures, data breaches, or service interruptions caused by these external providers. Parents/Guardians and Participants agree to comply with the terms of use of such third-party platforms.

Emergency Evacuation

31. In the event of an emergency requiring evacuation, the Company may relocate participants to alternative facilities. Additional costs arising from large-scale emergencies may be passed to Parents/Guardians where not covered by insurance.

Recording Prohibition

32. Parents/Guardians and Participants may not record staff or other participants without express permission, except where legally permitted.

Intellectual Property

33. All programme materials, teaching content, and creative works produced by the Company remain the intellectual property of the Company and may not be reproduced without permission.

No Guarantee of Outcomes

34. The Company does not guarantee any specific educational, athletic or performance outcomes, including exam results or skill advancement.

Privacy and Data Protection

35. Personal data will be processed in accordance with the General Data Protection Regulation (GDPR) and Cyprus data protection law. The Company's Privacy Policy (available at www.pascal.ac.cy) sets out details of processing, retention periods and data subject rights. The Company's Data Protection Officer can be contacted at dpo@pascal.ac.cy.

Media Consent

36. Parents/Guardians may give or withhold permission for photographs, audio, video and testimonials of the student to be used for promotional purposes by marking the relevant box on the application form. Consent may be withdrawn in writing, but withdrawal will not affect processing already carried out.

Agency Bookings

37. If the booking is made through an agency, the agency details must be provided. The Company may communicate with the agency for administrative purposes.
38. The use of an Agent does not in any way affect or undermine the legal obligations of the Parents/Guardians or of the Participants.

Further financial burden

39. The camp fees cover only the services expressly included in the International Summer Camp package. Parents/Guardians acknowledge and agree that the following costs are not included in the camp fees and shall be borne solely and fully by them:

    39.1. All pocket money and personal expenses, including any purchases made by or on behalf of the Participant for items or services not expressly included in the International Summer Camp package.

    39.2. The cost of repairing or replacing any property damaged by the Participant, whether such damage is deliberate, negligent, or accidental, including damage to facilities, clothing, equipment, or any other belongings.

    39.3. All costs associated with the Participant being required to return home, including but not limited to travel, accommodation, supervision, and administrative expenses, where such return is due to accident, illness, misbehaviour, breach of camp rules, or any other reasonable cause in the circumstances.

Severability

40. If any provision in these Terms, including 18, 19, 20, and 27, is found by a court to be unenforceable, the remainder of the contract shall remain in full force and effect.

Entire Agreement

41. These Terms and Conditions, the application form, the pricelist and the Company's Privacy Policy constitute the entire agreement between the parties in relation to the programme.

42. The text of the preamble is an integral part of this contract and is binding on the parties.
