A Not-For-Profit School

The American School of Madrid (ASM) is an independent, K-12 school that provides a comprehensive and rigorous education to over 1,000 students from the US, Spain, and other countries.

We are a college-preparatory school whose mission is to prepare students for entry into colleges and universities around the world. We offer the US High School Diploma, International Baccalaureate Diploma, and Titulo de Bachillerato. All subjects at the American School of Madrid are taught in English except for the subjects taught in a foreign language (Spanish, French, and Mandarin).

CEEB Number 792450 | **IB Number 0769**

Accreditation

The American School of Madrid is accredited by the Middle States Association of Colleges and Schools, the Spanish Ministry of Education, and The International Baccalaureate Organization.

Grading System

ASM has clearly defined structures in place to ensure equity of practice in determining student achievement. IB course achievement levels are determined as per the guidelines of best practices from the International Baccalaureate Organization. All other courses are based on a standards-based approach to assessment.

IB Courses are graded on a 1-7 scale with our TOK sequence graded Pass/Fail. All other courses are graded on an A-F scale.

Reporting

IB predicted scores are based on evidence and in accordance with IB assessment standards, up to the time they are predicted. They are not aspirational. We do not add IB bonus points to the predicted totals. However, over the past five years ASM IB Diploma candidates have earned an average of 2 bonus points for TOK and the Extended Essay.

We do not calculate GPA and Class Rank
