DPCR BRUINS

DePaul CRISTO REY CINCINNATI

THE BRUIN REPORT

UPDATE FROM DEPAUL CRISTO REY HIGH SCHOOL

Dear Families,

We had a successful first quarter at DPCR! We held our Quarter 1 Honor Roll Chapel on Friday, and it was a great opportunity to recognize the students for all of their hard work to begin the year.

While students have had tremendous success academically and in the workplace, our athletics teams have had a historic Fall season. Our Girls Volleyball team are now CMAC Regular Season and Tournament Champions! Girls Soccer are Regular Season Champions, and Boys Soccer completed a successful winning season! Finally, our Boys & Girls Cross Country teams had individual runners finish in the Top 10 at the CMAC Cross Country meet. Congratulations to our student athletes who successfully balanced their athletics with the demanding rigors of our academic classrooms and their Corporate Work Study placements.

This time of year continues to be a busy month for our College Advising Team. On top of SAT/PSAT testing and the October College Fair, our upper-class students will have an opportunity to tour University of Cincinnati, University of Dayton, and Xavier University. Simultaneously, our seniors are hard at work completing their college applications. Some exciting decisions are in the near future!

Sincerely,

Stephen Cassady

The Recent Ed-Choice Ruling

You have likely seen in the news recently that Ohio's Tenth District Court of Appeals upheld the lower court's decision declaring the EdChoice Scholarship Program unconstitutional. I know this news may raise questions, and I want to share what it means for our community. **EdChoice remains in operation, and the recent ruling does not interrupt scholarship funding.** The court stayed enforcement of its decision, allowing the program to continue during the appeals process. The case will most likely proceed to the Ohio Supreme Court. EdChoice is an important source of support for our students, families and school. We take this development seriously. **There is no immediate change to DPCR's daily operations or the education and support we provide our Bruins.**

The Catholic Conference of Ohio and the Archdiocese of Cincinnati will continue to advocate for Catholic schools and the families who depend on these scholarships. We will stay connected with these partners, monitor developments, and communicate updates as we know them.
