that are constant for at least 90 days.

For example, a minimum of seven (7) students must show residency in the applicable area for at least 90 calendar days before the Board will consider opening a school.

Requests to open a school must be submitted at least 60 calendar days prior to the school opening. These days are included in the 90 day residency requirement.

1067 Inactive School

Inactive school status will be considered when enrollment drops below seven (7) students as an intermediate step prior to closure of a school. A school placed on inactive status shall follow policy for the opening of a school to become an active school site, with the exception that five (5) students instead of seven (7) students are required for reopening of a school. By April 15th of each year in which a school is listed as inactive, the board shall review the status of the school and determine whether to continue inactive status or proceed with closure of the school.

1070 Closing a School

Closure will be considered when enrollment drops below five (5) students.

Affected students must show proof of residency in Humboldt County and/or the school's applicable attendance zone for a minimum of 90 calendar days to be counted for enrollment minimums. The 90 day count period shall begin with the first ADA report that reflects an enrollment below five (5) students.

All procedural requirements of NRS 393.080 will be followed if and when the Board considers closure.

1075 SCHOOL VISITORS

1. School visitors are welcome, however, they must first check in with the office to let the principal know the nature of the visit and to secure administrative permission and obtain a visitor's pass to be in the building when they are outside the office area.

2. Students may not have visitors in school. However exceptions, for educational purposes, may be granted by the administration.

1080 SCHOOL YEAR AND VACATIONS

1. The school year shall be divided into two semesters of approximately equal length, as designated by the Board of Trustees.

2. The school year shall consist of a minimum of 180 days with school months of four weeks each, with school days and vacation periods scheduled in an official school calendar approved by the Board of Trustees.

3. The regular schedule of holidays and vacations shall be as follows:
   a. Labor Day (first Monday in September)
