SOFTBALL ACADEMY CLINICS

Kearney Catholic High School & Central Nebraska Softball Association Coaches Jon Ruyle and Sydney Tidwell, in partnership with KPR, are offering off-season softball clinics for girls new to the game or looking to elevate their skills. Experienced coaches will keep the sessions active and positive, while focusing on age-appropriate skill development and fun, instructional game play. Players are encouraged to bring a glove and a bat if they have one and we'll supply the rest. Limited to the first 24 to register!
